

Eating chili for a good cause!

Doris Nelson dishes out a taste at the chili cook-off at the Eagles Club Saturday as Cristine Nelson watches. The cook-off and benefit soup supper that followed and gun raffle netted \$1365 for Chris Richard's Eagle Scout project to place handicap accessible tables in local parks.

JENNINGS NEWS

By WAYNE CRESSLER
The community extends sympathy to the family of Larry Mizer.

Larry died Tuesday, Nov. 16. Funeral services were held Saturday, Nov. 20, in the Jennings United Methodist Church. Burial was in the Jennings cemetery.

Dinner was served to the family at the church.

Sunday, Nov. 21, after church services at the Jennings church, a potluck dinner was enjoyed. It was followed by the decorating of the church. The decorating of the Community Hall will be Tuesday, Nov. 30 in the p.m. If

you'd like to help, we would be glad to have you.

The Jennings City Council will meet on Dec. 9, instead of Dec. 2 at 7:30 p.m. in the Senior Center.

Have a Happy Thanksgiving!!!

Travel information enhanced

Kansas Secretary of Transportation Deb Miller recently announced improvements to the Department's traveler information services in advance of the winter/holiday travel season. The announcement was made at an event held in cooperation with the National Weather Service "Kansas Winter Weather Awareness Day."

An enhanced 511 Mobile application is now available at <http://511mm.ksdot.org>. The free 511 Mobile site now provides map, camera and electronic message sign views, road conditions, work zone and event information and links to weather. All content is provided by six regions across

the state and three metropolitan areas, Kansas City, Topeka and Wichita.

The site is accessible from multiple devices, including iPhones, Droids and Windows mobile devices, Version 6.0 and higher. Any devices not compatible with the new application will be able to access text information only for road conditions and work zones.

The voice recognition technology has been upgraded on the 511 Phone system to improve user accuracy. From any phone anytime, travelers may call 511 from anywhere in Kansas or 1-866-511-5368 from anywhere in the nation to get route-specific road conditions, work zone informa-

tion, including detours and closed roads, and travel-related weather information to plan their trips or for updates as they travel.

"Safety for travelers is Kansas Department of Transportation's top priority and providing traveler information services is certainly one very important way to keep travelers informed so they can make good travel decisions, especially during harsh winter driving conditions," Miller said. "While Kansas Department of Transportation strives to make travel information available through a variety of services, I want to stress that travelers should not text or talk on cell phones while driving."
