MORTENSEN COMPUTER SERVICES

We are phasing out our *retail* business with a complete liquidation of products we presently carry. We will continue to custom configure any system based on your needs and will order any peripheral, software or hardware you require.

We are adjusting our current "open" hours beginning February 1, to 9:00 a.m.-12:00 p.m. and 1:00 p.m. to 3:00 p.m. We will always be available by telephone or email Monday through Friday, 8:00 a.m. to 5:00 p.m. Scheduled appointments may be made every day from 8:00 a.m. to 5:00 p.m.

Our goal is to maintain the level of customer service you have grown to expect therefore, we will continue to take in systems for repair, scheduling on site service or in store service during our new business hours or you may call and schedule an appointment to drop off or pick up outside the above proposed business hours. A Tech will be available in our store 2-3 days a week. Those days may fluctuate week to week, however, our goal is to continue to provide quality, timely service.
