

Former Norton man moves up in ranks of pro-baseball

Tom Schieffer, who was appointed Monitor of the Los Angeles Dodgers franchise by Baseball Commissioner Allan H. (Bud) Selig, has selected John Allen, the former Chief Operating Officer of the Cincinnati Reds, as his assistant in the oversight of the day-to-day operations, business and finances of the Club and its related entities.

John Allen is the son of Marcelle Allen and the late Joe H. Allen of Norton. Allen graduated from Norton Community High

School in 1966.

Allen joined the Reds in 1995 as controller and was named managing executive of the franchise in 1996. He served at the Club's Chief Operating Officer from 1999 through the 2007 season. Allen was responsible for all business and ballpark operations of the organization. He was involved in all aspects of the development and construction of Great American Ball Park in Cincinnati prior to its 2003 opening. Before joining the Reds, he worked for the

Triple-A Columbus Clippers of the International League, serving as director of business operations for five years.

Schieffer said: "I am pleased that John Allen is coming on board to assist in the monitoring of the Los Angeles Dodgers franchise. As a longtime baseball executive, John provides a wealth of acumen that will be very beneficial forward in this process to help the Dodgers."

Phillipsburg rodeo recognized

Phillipsburg, Kan., Kansas' Biggest Rodeo has been recognized as one of 34 "Faces and Places" on the Kansas Travel and Tourism's 2011 Faces and Places Tour.

State tourism officials and other Kansas travel enthusiasts (a.k.a. "roadies") will travel the state this summer in a "driving billboard" to promote Kansas tourism as part of the recently announced Faces & Places Tour. The tour's goal is to foster tourism in Kansas through social media, promote Kansas as a desirable destination and increase tourism expenditures.

The roadies will visit 34 festivals, events and other locations in an elaborately decorated Chevy

Suburban and share their adventures using Facebook, Twitter and other social media. Through a unique corporate partnership, Ed Bozarth Chevrolet #1 Buick-GMC is sponsoring the use of the Chevy Suburban for the Faces & Places Tour.

Jackie Swatzell, Director of the Phillipsburg Area Chamber of Commerce and Manager of the Phillips County Convention and Visitors Bureau, was thrilled with the recognition. "Phillipsburg is very honored to be chosen as one of the Faces and Places for Kansas Tourism. We welcome them here, during rodeo week, and we invite everyone in the state to enjoy Kansas' Biggest Rodeo."

The Kansas Travel & Tourism Division is charged with encouraging the traveling public to visit and travel within Kansas by promoting recreational, historic, and natural advantages of the state and its facilities. The Division focuses on measurable goals in all of its marketing and promotional efforts, which includes increasing domestic and international inquiries through advertising and public relations efforts and converting those inquiries into visits to Kansas, increasing group tour visits, and generating positive public perceptions about the state as a travel destination.
