# An American journey

Taking the road less traveled, Chris Allen, 26, of Sandwich, Mass. has set out on a journey to walk across America. He passed through Norton on Monday as he walked in frigid temperatures on Highway 36. Allen's motivation is simple. "This is a now or never sort of thing. I'm not doing this to prove a point. I'm doing it just because. It just felt so right and compelling, it was a no-brainer," said Allen. He set out from Cape Cod, Mass. with \$1,800 in his pocket and headed west. Allen has no time frame to reach the west coast. "My only plan is to make no plans," said Allen. "It's great. I'm psyched to be on the road."
