NETWORK ADMINISTRATOR / NCH

Network Administrator-Full Time

Norton County Hospital is looking for a Network Administrator. This position is full-time, Monday through Friday and may require some evening or weekend work in response to needs of the system. Applicant must be dependable, responsible, and professional. Must have excellent communication skills, handle confidential information, and work alone and in a team setting. Responsibilities include managing existing LAN/WAN, supporting servers, maintaining networked computers, and other hardware to ensure network availability and optimal functionality. Other roles include providing support for third party interfaces, ensuring network security, and managing firewalls. Must be able to troubleshoot networks, systems, applications, and investigate user problems and determine resolutions to provide optimal performance. We offer competitive wages and excellent benefits including vacation, sick leave, holidays, retirement, disability and health insurance.

Applications can be picked up at the Hospital Admissions Desk or emailed and should be returned to Human Resources or Pam Cuthbertson, Director of IT, Norton County Hospital, P.O. Box 250, Norton, Kansas 67654 or emailed to pcuthber@ntcohosp.com. EOE
