## Screenings held at Eisenhower

To help prepare future students for a lifetime of learning, Eisenhower Elementary hosted an early childhood screening Thursday and Friday at the school. The screening featured vision and hearing tests, along with tests of speech and motor skills. Over the two days of screenings, 20 pre-school children visited the school to be screened.

## Authorities are investigating a string of robberies

By Carleen Bell

The Norton Police Department is investigating a string of burglaries in the community that occurred at various businesses earlier this month.

Norton Police Chief Pat Morel reports that on March 9, Kowpoke Supply and Attitudes Steakhouse were burglarized and on March 14, Ruth's Antiques was burglarized. In addition, Pizza Hut was reportedly burglarized around the same dates, but the incident was never reported to law enforcement officers, Morel said.

Morel said the incidents are believed to be connected and security camera footage from Kowpoke Supply shows an individual committing the crime, but Morel declined to provide any identifying characteristics of the individual. The chief did say, however, that the individual who carried out the crime was aware of the security cameras on the premises.

The police chief also reported that around the same dates of the local burglaries, businesses in Phillipsburg were also broken into, but it is unclear whether those burglaries are connected to the ones in Norton.

Morel estimates that damages and theft from the three burglaries in Norton amount to \$6,400 in loss.

## Norton woman takes her own life

Following an incident at her home Thursday, a Norton woman has died from a self-inflicted gunshot wound.

Norton Police Chief Pat Morel reports that Melissa Ann Harper, 28, passed away at Good Samaritan Hospital in Kearney at about 4:30 p.m. after she shot herself earlier that afternoon.

Morel said that the woman's husband, who has not been identified, called the police department just before 1 p.m. on Thursday and asked them to check on her. The welfare check was too late, however, to stop Harper from shooting herself at her home at 205 North Wabash.

Harper was first transported to the Norton County Hospital, then flown to the Good Samaritan Hospital in Kearney where she died.

## School approves summer class fee

By Carleen Bell

Already looking ahead to the summer months, the Norton School district has established fees and a schedule for the summer driver education program in the district.

At their March meeting, members of the Norton School Board approved a program fee of \$75 for in-district students and \$125 for students from outside the district. The fees are unchanged from last summer.

Driver education teacher Kevin Jilka reported this week that the program will begin on Monday, June 4 and will be run in two, three-week sessions. Students take only one session of the class.

Any students who would like to enroll in the program must be at least 14 years old by May 1 and must have graduated from eighth grade. The class includes daily classroom instruction and driving instruction 3-4 times per week. Jilka said that consistent attendance is important for the class and each student must be able to pass driving and written tests at the end of the class in order to pass the class.

Jilka said that in early April, class instructors will meet with eighth-grade students to discuss class enrollment and any parents who are interested in enrolling their students in the program can contact Norton Community High School for more information.

## Eagles to host a poker tournament

By Carleen Bell  
cbell@nwkansas.com

To help benefit the organization's scholarship fund, the Eagles Lodge 3288 in Norton will host a Texas Hold 'Em poker tournament on Saturday, March 31. Registration will begin at 11 a.m. and lunch will be available. The tournament will begin at 1 p.m. A \$500 guaranteed first prize will be awarded and suggested donated is \$30 per player. For more information, contact Mar-

vin at 871-1721.

The Fraternal Order of Eagles will be awarding two scholarships in the amount of \$500 each to high school graduates of any parent, guardian or grandparent who is a member of the Norton Eagles organization. The scholarship will be paid in two installments of \$250 and can be used for any higher education after high school.

Students wishing to apply for the scholarship can obtain an application

form from Norton Community High School or from the Eagles Lodge or from selection committee members. Applicants may be asked for a personal interview with the scholarship selection committee.
