##### 2-209. IMPOUNDMENT, REDEMPTION AND DISPOSITION OF DOGS OR CATS.

Any dog or cat found in violation of the provisions of this article shall be subject to impoundment by the city. A record of all dogs and cats impounded shall be kept by the city containing the following information: Color, sex, weight, height, identifying marks, registration number (if any), and the date of impoundment.

Impoundment shall be subject to the following:

a. If the dog impounded has a current registration tag as shown by the records of the City Clerk, or a cat has an owner identification tag attached to its collar, the owner of such dog or cat shall be notified in writing as soon as possible.

b. If, at the end of three (3) business days, the City Clerk has been unable to locate the owner, or the owner, upon having been located, refuses to claim or redeem said dog or cat, then the dog or cat may be offered for adoption. After six (6) days, if the dog or cat has not been redeemed or adopted, then the animals may be destroyed or otherwise disposed of.

c. If within the impounding period the owner of an impounded dog appears and redeems the dog, it shall be turned over to the person claiming it upon payment of the actual costs of impoundment and upon compliance with the registration provision of this article which includes proof of rabies vaccination. If, within the impounding period, an owner of a cat appears to redeem the cat, it shall be turned over to the person claiming the animal upon payment of the actual costs of impoundment.
