

Parks app now available

Just in time for the warm weather that ushers in the summer travel season, the Kansas Department of Wildlife, Parks and Tourism has launched the Kansas State Parks Pocket Ranger app, a free, interactive mobile guide to Kansas state parks.

The Kansas State Parks Pocket Ranger app is designed to provide information and technology to guide and enhance the state park experience, and to provide added safety and enjoyment for nature lovers and outdoor enthusiasts at all of Kansas' 26 state parks.

The Pocket Ranger app offers interactive GPS and mapping technology for tracking trails, marking waypoints and locating landmarks in the state parks. Users are also able to locate friends within parks using the Friend Finder feature.

The Alert feature supplies GPS coordinates to designated contacts in case of an emergency. Guests can also cache (store) park maps in advance so they can still navigate if they lose mobile reception. The GeoChallenge feature offers the novice explorer or more adventurous geocacher various geoquest activities and games throughout the year to guide them on their quests.

In addition to its state-of-the-art GPS technology, the Kansas State Parks Pocket Ranger app has other tools that make exploring the state parks a breeze. Visitors can decide which park to visit using a comprehensive list of activities or search for a park within a particular region. A calendar of events will help visitors find upcoming events for each park. Park rules and regulations are a click away, which is especially helpful to anglers and sportsmen. Users will even be able to reserve a campsite or cabin using the Pocket Ranger to navigate to the new online cabin and campsite reservation site.

The free Kansas State Parks Pocket Ranger app is available on iTunes and PocketRanger.com and will soon be available for Android phones. BlackBerry and feature phone users can use the mobile website version of the Kansas State Parks Pocket Ranger.

The Pocket Ranger Mobile Tour Guide tutorial is available at www.youtube.com/user/PocketRangerApp.

Chick-Flick project

As a spring project, residents of the Andbe Home in Norton have taken up the challenge of caring for eggs to be hatched into baby chicks at the facility. The 24 eggs are expected to hatch around June 11 and residents have been taking time to watch over the incubator and turn the eggs three times each day until they hatch. The eggs were provided by Malinda Kindall and, when the eggs hatch, the chicks will be taken back to the farm. Pictured, Andbe Home resident Betty Muehe takes time to turn the eggs Wednesday afternoon.

COLLEGE NOTES

Several area students are included on Fort Hays State University's Deans Honor Roll for the spring 2012 semester.

Almena: Ashley Kingham, a senior majoring in art (studio art).

Jennings: Jacinta Carter, a senior majoring in English (writing), Kyle Kinser, a senior majoring in technology studies

(industrial technology).

Logan: Carri Brobst, a senior majoring in management. Norton: Cindel Harrington, a senior majoring in justice studies, Charli Lawson, a senior majoring in nursing, David Mizell, a freshman majoring in art, Karlynn Mizell, a junior majoring in speech-language pathology.

The honor roll includes only

full-time (12 credit hours or more) undergraduate students who earned at least a 3.60 grade-point average for the semester.

Morgan Anne Kauten of Norton earned her bachelor of science degree in elementary education from Emporia State University during commencement exercises at the college on May 12. Kauten graduated with cum laude honors.

Governor taking award nominations

As part of the effort to help Kansans improve their health, Kansas Governor Sam Brownback is accepting nominations for the Kansas Health Champion Awards.

Each year, the Governor recognizes an individual and an organization for their exceptional efforts to model, encourage and promote fitness in Kansas. The deadline for nominations is June 29.

Eligible nominees may include an outstanding volunteer, a school, a local community, a newspaper or individual reporter, a local or state policy maker,

or an employer, among others.

Nominees would be expected to have demonstrated:

- Work that goes above and beyond what is expected to model, encourage and promote fitness
- Far-reaching impact
- Sustainable influence or activity

For more information and to submit a nomination, go to www.kansasfitness.org and click on the link "Health Champion Award." If you have questions about the nomination process, contact Anthony Randles at (785) 296-8060.
