

Fashion Revue is planned for Saturday

The 4-H clothing buymanship and clothing construction judging were held Tuesday at the 4-H building. The clothing construction participants got the opportunity to create and sew articles of clothing, then have the projects judged. The students in the buymanship category purchase clothing ensembles to create versatile outfits. The judge for the shows was Rosslyn Schultz of Lucas. While the judging was held Tuesday, a public fashion revue will be held this Saturday at 7 p.m. at the 4-H building. Some of the judging results will be announced that evening and some results will be announced Tuesday.
