What another fine offering of those lightweight calves! They sure seemed steady to stronger than a week ago. The quality would have been outstanding. Getting quite a bit of pressure on those butcher cows due to the dry weather in a huge area. Lots and lots of cows coming to auction!! Producers may start to plan ahead - get ready to see some more young bred cows and pairs at the auction coming up. **NO SALE JULY 27.** Special calf sales coming up in August. Consign early for proper advertising. Enjoy your summer and throw some beef on the grill!!!
