Thanks for Helping Us Make the 22nd Anniversary of the Norton County Home-Owned Carnival Our Best Year Ever!

We appreciate the community and county support in operating the games, rides, concession stand, and prize trailer and the help of the city and county crews, and inmates setting up and tearing down. Without your participation, we could not have a home-owned carnival. Our board organizes, has ideas, and implements plans but the community makes the carnival. We are limited to the number of rides, and games only by the number of volunteers we have to operate them.

With Our Thanks and Appreciation

Norton County Home-Owned Carnival, NCCSA
