

LYLE NEWS

Charles and Inez Keller visited Toots Magers on Monday, Aug. 27.

Sheryl and Richard Patterson drove to Canadian, Okla. and brought our sister, Dixie Wood, to their home in McCook for a visit. They stopped by my home for a short visit on their way home. On Friday, we three sisters enjoyed the potluck at the Senior Citizen's in Norcat. They both got to see friends they hadn't seen in years.

June Jolly and her tour group saw the Gatlin Bros. show at the state fair in Lincoln, Neb. She went to look at the quilts, of course. She is making a quilt from scarves. On Saturday she went with Dean and Rhonda's family; Jennifer, Jack and Taylor, Kimberley and son to the lake in Cambridge, Neb. Austin had suffered a broken leg in football, so was not able to attend.

Kathy Van Meter and Lloyd Frandsen traveled to Fairplay, Colo. and Buena Vista, Colo. and

visited her sister, Margaret Wilson, in Loveland, Colo. and Lloyd's daughter, Kathy Jones, in Sydney, Neb. They took in the Gatlin Brothers show at the Nebraska State Fair.

The Lyle monthly dinner on Sunday was lived up by a group of Summer young people. Sophia, Sumner, Brady, Gracie, Brooke, Michelle, Von and Joyce, along with Toots Magers, Jane Engelhardt, Larry Van Otterloo and Veda Wood enjoyed a delicious meal, and Von showed a beautiful quilt she had made.

Dwayne Jackson was the minister at Lyle Sunday, Sept. 2, and Aurelia played for us, including some songs we didn't know. They always excuse our mistakes and make it fun, which I'm sure the Lord doesn't hold against us.

I thank Jerry and Bonnie Wescott for the potatoes from their garden and the tomatoes I brought home from the card group.

Boys and bobbbers

Little Cooper Bohl of Phillipsburg spent his Labor Day afternoon organizing his brother's tackle box along the side of the Sebelius Reservoir Monday. He and his two brothers, a sister and a friend tried their hands at fishing with no luck but everyone enjoyed a fun, cool afternoon.

JENNINGS NEWS

Monday, Labor Day, saw cloudy skies and a few sprinkles falling in Jennings. We are glad for the clouds and hope we might get some measurable moisture.

The Mowry-Brewster family reunion was held Sunday, Sept. 2 at the Sunflower Senior Center. A bountiful meal was enjoyed and everyone enjoyed the family photo books and scrapbooks brought by Richard Mowry, Marge Hartzog and Wayne Cressler. Those attending were Norman Mills, Albert and

Nadine Mills, Walt and Shirley Hemman, Ardith and Vic Karnes and Lorriane Coulter, all from Hoxie; Richard and Donna Mowry of Morland; Jerry and Steward Mowry of Manhattan; Gary and Kay Splattstoesser and Dustin of Colby Colby; Corene Smith and Grace of Norton; Darcee Redden of Gypsum; Jim Patterson of Quinter; Bob Jones, Carla Latimer, Daryl and Marge Hartzog and Wayne and Louise Cressler.

Playing 5-handed pinocle at the

center Wednesday afternoon were Agnes Wahlmeier, Debbie Shields, Ramona Shaw, Stan Shaw, Alice Wagoner, Ann Szeistis, Wayne Cressler, Diane Carter, Eleanor Morel and Louise Cressler. Stan Shaw was high scorer with 242 score on one game. Everyone is welcome to play cards with us. You do not have to be a senior citizen.

The Jennings city council is meeting on Friday, Sept. 7 instead of Thursday, Sep. 13.

Loans available for new, minority farmers

Adrian J. Polansky, State Executive Director of the US Department of Agriculture Kansas Farm Service Agency, has announced that the agency is reaching out to minority and women farmers who want to purchase or operate a family-size farm.

For farm loan purposes, the agency defines an eligible person as one of a group whose members have been subjected to racial, ethnic, or gender prejudice because of their identity as members of a group without regard to their individual qualities. For additional information regarding loans to minority or women farmers, visit www.fsa.usda.gov/FSA/webapp?area=home&subject=fmlp&topic=sd1 FSA FLP - Minority and Women Farmers and Ranchers

-A beginning farmer or rancher is defined as someone who:

- Has not operated a farm or ranch for more than 10 years
- Does not own a farm or ranch greater than 30 percent of the median size farm
- Meets the loan eligibility requirements of the program to which he/she is applying
- Substantially participate in the operation
- If applying for a farm ownership loan, must have participated in a farm for at least three years

While funding is targeted for loans to socially disadvantaged applicants and beginning farmers, loan approval is neither automatic nor guaranteed. In Fiscal Year 2011, Kansas obligated \$8,316,818 for a total of 131 loans to qualified farmers under the Socially Disadvantaged Persons Loan Program. We also obligated \$45,685,152 for a total of 512 loans to qualified farmers under the Beginning Farmer Program.

Applicants must be U.S. citizens, have a satisfactory history of meeting credit obligations, have sufficient education, training or experience managing or operating a farm, possess legal capacity to incur debt; and be unable to obtain credit elsewhere.

In addition to direct loans, the agency can provide loan guarantees to commercial lenders. Guaranteed loans may be made by any lending institution sub-

ject to Federal or state supervision (banks, savings and loans, and units of the Farm Credit System). The agency typically can guarantee up to 95 percent of the loan against any loss that might be incurred if the loan fails.

Applicants can use operating loans to purchase livestock, equipment, feed, seed or pay other business related expenses. Operating loans are usually repaid in one to seven years. Ownership loans provide capital to purchase or enlarge a farm, construct or improve buildings; promote soil and water conservation and pay closing costs. Direct ownership loan terms are up to 40 years. Guaranteed loan terms are established by the lender.

To assist retiring farmers with intergenerational transfers, the agency also announced a new program called the Land Contract Guarantee Program. It provides a valuable tool to transfer farm real estate to the next generation of farmers. Guarantees can be offered to the owner of a farm who wishes to sell real es-

tate through a land contract to a beginning farmer or farmer who is a member of a SDA group. The guarantee provides an incentive to sell to individuals in these groups as it reduces the financial risk to the seller due to

the buyer default on the contract payments.
