

New name, familiar place

The Norton First Stop has a new name and a new sign. Pester Marketing out of Ohio still owns the store but it will now be Alta Convenience. Brandon Bietz of Salina, an employee of Luminous Neon Inc. Art and Sign Systems, Salina, puts the new sign in place on Wednesday. There will be a flashing display showing specials that are taking place inside the store.

Free driver safety course offered to vets

At AARP Driver Safety, we appreciate the dedication and service to our country. That's why we're saying thanks by offering a FREE classroom to all military veterans and their dependents on Nov. 13 from 9 a.m. to 3 p.m. This defensive driving class will be held in the basement at Prairie Land Electric, West Highway 36, Norton, and is sponsored by the Norton American Legion.

Since 1979, AARP Driver Safety has offered the nation's first and largest course for drivers 50-plus and has helped millions of drivers stay in command of the road. You'll learn proven safety strategies to help maintain your confidence behind the wheel, so you can make new memories on the road. Plus, after completing the course a coupon will be given to you and you will get a discount on your

car insurance for the next three years.

Cost for the program is \$12 for AARP members and \$14 for non-members. This fee covers the cost of the materials. Remember, military personnel and their dependents are free. The majority of the students receive the cost of registration through the discount of their insurance. You must present your AARP membership card to receive the reduced rate. Be sure and bring your driver's license with you. Military will be given a coupon at the class and you will not be required to show proof of military service.

Anise Gill in Norton is the

instructor and may be contacted at 785-877-5170 with any questions.
