Montie Wason Baty

Sept. 27, 1931 - June 30, 2013

Montie Wason Baty, 81 of Medicine Lodge, died Sunday, June 30, 2013 at South Wind Hospice House in Pratt. He was born on Sept. 27, 1931 in Bendavis, Mo., the son of Cyrus John Baty and Mary (Atchley) Baty. He was the ninth of 16 children in the Baty family.

Montie worked for the Kansas Department of Transportation (KDOT) for over 42 years and retired as District Engineer, district #6 over 19 counties, in Garden City in 1996.

In 1945, Montie moved from Bendavis, Mo. to Scott City, and then in 1946 he went to Medicine Lodge to visit a brother who had been in a severe car accident. He stayed and lived there and went to high school and graduated from Medicine Lodge in 1949. On Feb. 17, 1950, he married Georgia Heydenreich in Alva, Okla.. Both Montie and Georgia worked for the Rosslers for a time until he began working for KDOT in 1950 for 54 cents an hour. They lived in Medicine Lodge and had two boys, Mike and Terry, and then moved to Newton, after working for a private company in Lindsborg for a short while. In Newton, Montie attended Wichita State University at night school for several years, where he earned his engineer's certificate and continued to work for the KDOT as an engineer. They had two more children in Newton, a girl Debbie and another boy, Doug. In 1964 the Baty family moved to Leoti where Montie served as a Resident Engineer. After two years there, the family moved to Syracuse where the older two boys, Mike and Terry, graduated from high school, and both went to Fort Hays State. In the fall of 1972, Montie and Georgia and the two at home children moved to Norton where Debbie graduated from high school. And in the summer of 1977 they moved to Garden City where Doug finished his high school years.

Over the years, Montie and the family enjoyed fishing as well as hiking and camping. The family enjoyed vacations, visiting other family members in Kansas, Missouri, Colorado and other states. They also vacationed in state or national parks.

Family was an important factor in Montie's life as they went to family reunions regularly on Georgia's and his side of the family.

Throughout his years' Montie was a civic servant helping people in each and every community they lived. He was a past member of Kiwanis and Rotary Club. He encouraged the kids to be a part of the community by being a part of Boy Scouts of America. He was a scout leader as his sons participated in the BSA and was even a Scoutmaster in Norton for troop 181 in the mid 70's. He served on different committees in the communities they lived such as the planning commission in Medicine Lodge. He was a lifetime hunter safety instructor for the state of Kansas and did volunteer work for Gideons International.

Montie was a member of a church in each town they lived in and was regularly a Sunday school teacher, deacon, elder or even a nursery worker. He was a member and an elder of the First Christian Church in Medicine Lodge.

Montie was a private single engine pilot and a very good bridge player, having advanced in some duplicate bridge tournaments with his wife Georgia. But what most remember and know about Montie is that he was an avid outdoors man. Montie enjoyed elk hunting in Colorado with family and friends and Georgia learned to hunt right along side him. He hunted birds and large game in Kansas as well, and enjoyed preparing the meats for jerky or other meals. He was a great cook. He had many skills as a horseman, gardener, farmer, jewelry maker, carpenter, wine maker, on schedule maintenance man and a great neighbor. Always thinking of others needs and how to lend a helping hand.

Montie was quiet and unassuming, but rich with wisdom and advice if asked. After battling cancer for over two years, Montie died Sunday morning, June 30, while holding hands with his wife Georgia and while his daughter Debbie was reading scriptures to him and singing hymns. He was a man of

respect and integrity, greatly loved and will be missed. But he taught and is assured that those who put their trust in Jesus, at death, go to be with the Lord Jesus our savior, being given a new body and is at peace and comforted with God our creator and Savior.

Surviving in addition to his wife, Georgia of 63 years in marriage, are three sons, Mike and wife Gigi Baty of Durango, Colo.; Terry and wife Gail Baty of Forrest Lake, Minn.; Doug and wife Randee Baty of Parsons; one daughter, Debbie Baty of Parker, Colo.; nine siblings, Bonnie Maxwell of Mountain Grove, Mo., Wilma Campbell of Denver, Colo., Imogene and husband Lawrence Porter of Thayer, Mo., Kermit and wife Dixie of Mt. Vernon, Mo., Johnnie Lou Mahan of Eminence, Mo., Mary Jo Temple and husband Dale of Cherryvale, Carolyn Peirce and husband Delbert of Hutchinson, Kay Crisp and husband Lonnie of Bendavis, Mo., and Larry Baty and wife Debbie of Bendavis, Mo.; nine grandchildren and nine great-grandchildren and many nieces and nephews.

Montie was preceded in death by his parents Cyrus and Mary, step mother Delphia Baty, six siblings, Murlin, Gene, Bertie, Lowell and Dewane Baty and Hazel Hays and one grandson Jason Chapas.

Visitation will be on Friday, July 12, from 10 a.m.-8 p.m., at Larrison Funeral Home, 120 E. Lincoln, Medicine Lodge, KS 67104, where family will receive friends from 6 to 7:30 p.m.

As a result of his great work, higher education continues to help ensure a brighter future for the state by providing valuable programs so necessary to maintain and improve our quality of life, particularly in the more rural parts of Kansas."
