Founded in 1987, the Nebraska Brass is one of the Midwest's most popular brass quintets and recently celebrated its 25th anniversary season. In addition, members have toured and performed throughout the United States, Australia, Europe, South America, Japan, and the Caribbean with numerous musical ensembles. They also perform at weddings, graduation ceremonies, business and government functions, church services, public park concerts and special events.

In addition to their busy performing schedules, members are experienced as educators in Nebraska and Iowa public schools and Nebraska Wesleyan University in Lincoln. They have released four CD's.

Prison staff honored at governor's residence

Sandra Olson, Scott Farr and Robert Husted were honored August 28 at a reception at the governor's residence for having been named employees of the second quarter at the Norton Correctional Facility (NCF).

"The effort to ensure public safety and the effort to help offenders turn their lives around go hand in hand," said Govern-

nor Sam Brownback. "We wish to express our appreciation for the important work of our corrections employees in the state of Kansas."

Olson, Farr and Husted and 26 other employees of the Kansas Department of Corrections were honored by the governor and by Corrections Secretary Ray Roberts at the ceremony.

The event marked the first state-wide Employee of the Quarter honors, recently initiated by Brownback.

Olson and Farr were named NCF Uniformed Employees of the Quarter. Husted was selected NCF Non-uniformed Employee of the Quarter.

Project to seal U.S. 36 in Phillips County to start soon

Beginning as early as next week, a job to seal a section of U.S. 36 Highway in Phillips County will begin - weather permitting.

Starting at the Norton/Phillips County line, and extending east approximately 17 miles, workers will spread a thin layer of asphalt oil over the pavement then coat it with a layer of rock chips that are pressed into place with heavy rollers. Chip Seals are a low cost method of sealing minor cracking in a roadway, preventing water from seeping

into the pavement and therefore extending the life of the roadway.

Traffic will be reduced to one lane; and controlled by flaggers and a pilot car operation during daylight hours on this project. Minor delays should be expected through the construction time frame, not exceeding 15 minutes. The public should plan their travels accordingly. Pay attention to the signs and workers within a construction zone and "Give 'Em A Brake!"

KDOT awarded the chip seal

construction contract - totaling \$558,315 - to Blevins Asphalt Construction Co. of Mt. Vernon, Missouri.

Weather permitting, the U.S. 36 seal project will be complete by September 13.

For questions concerning this project, please contact KDOT Area One Construction Engineer Jim Riener at (785) 543-2163 or jriener@ksdot.org; or KDOT Northwest Kansas Public Affairs Manager Kristen Brands at (785) 877-3315 or kristenb@ksdot.org in Norton.

CLUB NEWS

By Clara J. Sebelius

On June 10, 2013, Bethlehem Chapter No. 89 held a ceremony for O.E.S. members receiving their 50 and 25 year pins. At 6 p.m. a very delicious dinner was served by the Almena United Methodist Church ladies at the very nice community center in Almena.

At 7 p.m., we all went to the beautiful Naphta Lodge for the pin ceremony. A welcome about friendship was read by our Worthy Matron Cecilia Hillebrand. A very impressive ceremony was given by our Worthy Grand Patron Larry Swain. The 50 year recipients were Sisters, Bette Townsend, Gail Brooks and Brother Norman Kelsow. Each one had a special family member to pin their pin. After receiving their pins, each told of their Eastern Star memories. Worthy Grand Patron Larry Swain then entertained by playing "When you're smiling" on the piano. Wow!, can he tickle those keys.

Sister Eileen King, a 50-year member, and brother Gordon Vahle, a 25-year member, were unable to attend.

After the pin ceremony was completed we had our stated meeting. A welcome was read by Sister Cecilia Hillebrand. The Grand Officer who attended were Sister Dolores "Dee" Smith, Worthy Grand Patron Brother Larry Swain, Sister Gayle Cousatte, Past Grand Matron Brother John J. Worthy Matron Cecilia presented the Worthy Grand Matron and the Worthy Grand Patron with honorary memberships, and a beautiful gift was given to each of them by Bethlehem Chapter No. 89.

Members from Millbrook Chapter No. 108 from Hill City, Plerades Chapter No. 168 from

Phillipsburg and Bethlehem Chapter No. 89 were in attendance.

After the closing they were all invited to the dining room to enjoy refreshments from a beautifully decorated table of cookies, nuts, candy bars and lemon water.

On Tuesday morning all members were invited to attend a breakfast at the home of Clara J. Sebelius in Long Island. Hostesses were Cecilia Hillebrand, Shari Archer and Clara J. Sebelius.

HANSEN MUSEUM

The Dane G. Hansen Memorial Museum presents "The Eckman Method® of Fine Art Cast Paper Sculpture" on Aug. 16, 2013 through Oct. 6, 2013.

Patty and Allen Eckman have been creating wonderful, high-detail works in their handmade, acid-free cast paper sculpture since 1988. They have become internationally recognized as not only masters in the medium, but at this time, the sole masters. The Eckmans have shared their work with millions of art enthusiasts over the years.

Patty and Allen Eckman both have done a series of signed and numbered limited edition pieces. All are really limited edition originals, as each piece requires hands on sculpting.

The Eckman's have developed a revolutionary process that allows the artists to turn their museum quality paper creations into bronze, while retaining the archival paper (in its original state). This process is only available through Eckman Fine Art. No other artists or foundry in the world knows how to do this.
