Seven new members were inducted into the Northern Valley High School Chapter of the National Honor Society on March 11, 2014. James L. Springer, retired Northern Valley teacher, gave inspirational comments, which included encouraging the students to have a purpose, to show acts of kindness because they will come back to you, and to be true to one's self through honesty and integrity.

The formal candle light ceremony stressed the four areas emphasized in the Society which are character, leadership, service, and scholarship.

Each new member lit a candle signifying which area they wished to focus on in the near future.

Following the ceremony, a reception was held for members, family and guests.

Sponsor of the Northern Valley Honor Society is Staci Montgomery.
