

Camp Scene Investigation

Come one, come all to Rock Springs 4-H Camp!!! June is quickly approaching and the registration deadline is close to get signed up to attend the Great Northwest 4-H Camp at Rock Springs 4-H Center near Junction City, Kan. And best of all, this camp is open to ALL YOUTH, not just 4-H youth, so 4-Her's, ask a friend to join you for camp in June.

A little bit of trivia about the history of Rock Springs 4-H State Leadership Center: A sense of pride comes from Western Kansas, and Norton County in particular, as J. Harold Johnson served as the State 4-H Leader when the Rock Springs camp was purchased. Mr. Johnson claimed Norton as his home. He became the first full-time 4-H agent in Kansas in 1927 hired by Sedgwick County. Mr. Johnson was inducted into the National 4-H Hall of Fame in 2002. Serving as both assistant and State Leader, his career is linked with the start of the International 4-H Youth Exchange Program in 1948 and continued development of the Kansas 4-H Journal, the only statewide 4-H magazine in the nation. He supported the Clovia Scholarship House at Kansas State University and was instrumental in the establishment of the Kansas 4-H Foundation.

4-H members and sponsors took less than five months to earn enough money to purchase Rock Springs 4-H Center in 1946. The purchase price for the 348 acres of Rock Springs

Chasing Clovers

Patsy Maddy

Ranch was \$22,500 with the Sears Roebuck Foundation donating \$25,000 to be used toward a camping facility (not land). This purchase was immediately put to use with 1946 as the first year that 4-H camp was held.

The first permanent structure requested for Rock Springs was a swimming pool which was renovated last year and the Olympic-sized structure is now called the "Cool Pool" with fun slides and shooting fountains.

For almost 70 years, guests of all ages have come to Rock Springs to experience camp life at its best! Year-round availability offers groups the opportunity to schedule a program during any of Rock Springs' four beautiful seasons. Campers create lasting memories while they meet new friends, experience adventures away from home, and try out a variety of Rock Springs' fun and educational activities.

While at Rock Springs, your campers can participate in a wide variety of scheduled activities: Palomino horseback riding and hiking scenic trails throughout camp; swimming in a newly renovated "Cool Pool" filled with natural spring water; canoeing and learning to control

the canoe as a team; archery, trap shooting and riflery; basketball, softball, sand volleyball and Frisbee golf; a variety of crafts including leather crafts; s'mores and more outdoor cooking; water balloon games; songs by a campfire; scavenger hunts; dancing and hanging out with newly found friends; and some of the best home-cooked, delicious, hearty meals including the ever-popular cinnamon rolls. There is something for everyone to enjoy at camp!

Attending summer camp can be a time for creating memories and lifelong friendships, experiencing nature and the outdoors, and learning life skills. Summer camp is more than just a vacation. Camp is a learning adventure like no other place to learn self-confidence, cooperating with others and life beyond one's own world. The outcome of camping is for those life lessons to contribute in a positive and significant way that enhances the child's adjustment into their adult years.

Contact your local Twin Creeks Extension District office to get signed up for our Great Northwest "CSI: Camp Scene Investigation" adventure from June 11 - 14 for youth ages 7 to 12. Registration deadline is April 28, so don't delay! Our adult and junior leaders are excited about the opportunity to spend a few fun-filled days creating life-long memories for your youth.

Brass ensemble

Yesterday in the Eisenhower band room the 6th grade band students presented a small concert for their friends and family. The concert consisted of small ensembles from each instrument group and one song from the brass section.
