

# We're proud of you for continuing your longtime tradition of excellence in BB Gun marksmanship!

Members of each of the 51 teams competing at the National Daisy BB Gun Shoot in Rogers, Ark. attend the Barter Bar during the weekend's events. Each team brings items native to their state and barter with others making trades to bring home all sorts of goodies. Deer antlers always have seemed to be a big ticket item at this event.

Norton Rotary BB Gun team member Scott Sansom was the only team member to get a perfect score of 100% on the test given at the Nationals competition held on the fourth of July weekend. Pictured here are the 13 perfect score recipients. Fifty one teams competed with at least five per team so this was a great honor.
