Don't Get Stuck with a  
Bargain in Your Eye

Don't be fooled by claims about quality. Some places skimp on lens materials or don't grind them to exact specifications. Surfaces aren't polished or coated correctly and lenses may be thicker than necessary. The differences in quality affect your vision wellness.

Prairie Wind Eyecare offers only the finest quality lenses and frames. And we'll back them with our exclusive two-year warranty. That's right. A full two years of protection against breaking or defect. Other places might make claims about quality, but they don't offer a warranty like that.

Come to Prairie Wind Eyecare for the finest  
in fashion, selection and quality eyewear.  
And you won't get stuck with a bargain in your eye.
