

PUTTING ON SEATS — Robby Herman, left, and Brandon Keeker were helping the Amusement Authority get the carnival rides ready for the fair.

Getting ready for the Fair

WASPS HAD MADE A HOME in one of the carnival rides and Greg Walz and Sam Miller, top right, were trying to get them out. Clockwise, fair board members were cutting the tin for the roof of the small building near the arena; Megan Downey, fair board member, was mowing in the arena while, top left, Gary Cooper was mowing the grounds.
