

Plum Creek 4-H Club

This last 4-H year was a busy and fun year for the 24 members of the Plum Creek 4-H Club. The club was led by C.J. Douthit, president; Kim Voeller, vice president; Kaycee Williams, treasurer; Mikaela Grace, secretary; and Thomas Douthit, reporter.

Several new families were welcomed into the club along with younger siblings to keep the membership growing.

Goals for this year were to get everyone involved in our activities and to contribute to the community. With those goals in mind, we had a great year!

The October meeting was a fun time with a scavenger hunt along with the usual activities. November was busy with the county achievement banquet where lots of our members were recognized for their hard work. For the club's achievement night, the members had a fun night of pizza and bowling. Also in November, they helped the community with a benefit for one of their members who had a bad accident.

December found us doing some of the community projects with caroling and delivering presents to the Good Samaritan Village residents.

At the January meeting it was back to business, 4-H Days planning began. February found the members working on the model meeting.

March is always a busy month, the 4-H'ers had livestock weigh-in, 4-H Days and model meeting judging. Along with that, Plum Creek served the concessions at the 3-on-3 basketball tournament.

Plum Creek's big community project started in April with the cleaning of the garden at the Good Samaritan Village. After weeding and raking, the regular meeting was held. The parents got to entertain their kids on parents' night in May, running the meeting and giving silly talks.

June started the weekly watering and taking care of the Village garden. July was the annual 4-H tour, everyone enjoyed visiting different homes. The members enjoyed a water fight at the Beikman residence after a great barbecue.

Plum Creek members had a very successful fair in August — it was a fun place to end the summer.

September found the members entering the state fair or other livestock show.

Our year was full of many activities and we hope that each member grew in confidence and acceptance of all different things.

4-H'ers great job of showing off your "Good Stuff"
