

## Thank You

Dreams - Hopes - Love - Family - Friends are what we depend on to build our futures. We don't expect a tornado to come so quickly and take so much. Now is a time for us to rebuild and once again look to our dreams and take care of our families. I thank all of the wonderful people who reached out to Nick & Heidi in their time of rebuilding a home & business for their son's, Dylan & Brady. A special thank-you to my son, Noel who drove with the tornado to protect his brother & family. You never lose the love of a brother or family member, they are always there to give a helping hand. My brother, Brad who has been there with Nick rebuilding his dream. The Red Cross with all of its volunteer's were outstanding, the meals were wonderful. To the many people in the community who brought equipment to remove the cement, tin, glass, equipment, furniture, etc. All the food, furniture, clothing & money donations were appreciated. Regards, Linda Ketzner & family

Thank you to my students and their parents, the administration and faculty for all you do in preparation for the art shows. A big thank you to Marsha Kechter and Cameron Fiala for all your help. A special thanks for the meal which was provided to the students and the transportation to the Fort Hays State University Art Show. Mary Beikman

Thank you to Pearline for the delicious dinner. The card signed by so many friends and the wonderful music and songs sung by all. Thank you also to our family, relatives and friends for the visits, gifts, phone calls and well wishes for our 68th anniversary. Gods blessings to all. Gus and Martha Zweygardt

The family of Bud Burnham wishes to publicly thank the staff of the Cheyenne County Hospital for the wonderful care Bud received during his final weeks of life. Dr. Miller provided comfort and guidance to all of us during this difficult time. The nurses and staff were so very attentive and caring. We are fortunate to have this beautiful hospital and competent staff in our hometown. The family of Bud Burnham

Thank you to everyone for the visits, cards and calls while I was in the hospital. Thank you to Dr. Miller, the hospital staff here at St. Francis and at Sky Ridge for the wonderful care, the EMTs and flight crew. To the Herald staff and my mother-in-law for keeping things going. Special thanks to my wonderful family for all the support and many hours spent at my bed side and taking care of the kids. Casey McCormick

I would like to thank the Easter Egg Committee in Bird City for the gift basket I received. Jackson Boyson

The St. Francis PTA would like to thank all the members and teachers that helped with the community Talent Show. We couldn't do these programs without you. To the contestants, you were awesome and thank you for the encouragement you gave one another to participate. You are all winners in the communities eyes. Thank you Lauren and the SFCHS Pom Pon squad for agreeing to be our guest performers. You are inspirational to these young people and we appreciate your involvement. Thank you Jobs Daughters for providing concessions and your willingness to be there. It was fun and we are looking forward to the next show. Thanks again. The St. Francis PTA Board.

The Cheyenne County Hospital would like to thank the family of Bud Burnham for their generous memorial contribution to the hospital. Your continued support is greatly appreciated.

Thank you to the ambulance crew who took Dick and I to Sky Ridge Hospital in an extremely professional manner: Wendi White, Tami Sherlock and Nancy Semler. The people at Sky Ridge were so impressed that ambulance drivers were hugging and being so compassionate to us upon delivery, but they did not understand "small town" care also includes that understanding. Many thanks to them and all the volunteers who go above and beyond their call to duty in this com-

munity. Gwen Boswell, Stephanie McCaffrey and family

I would like to say thank you to everyone who helped me during my stay at the hospital, to Dr. Miller and all the hospital staff for my excellent care at the hospital. Thank you again, it's great to live in such a caring community. Lester Confer

Thank you to my dear family and friends for your visits, cards, letters, gifts and phone calls that I enjoyed in celebration of my 80th birthday. May God bless. Ray Johnson

Thank you Lee Nichols for the Prairie Pak you gave us. The Herald staff

Thank you to the individuals at Cheyenne County Hospital and Cheyenne Co Clinic. We are so very fortunate to have the medical care and compassion in this small community. Everyone has been so helpful and kind over the past few years in Dick's care and especially we thank Dr. Miller for her entire staff of nurses, assistants, lab techs, clerks, housekeeping crew, are to be commended for their many times over. God does have angels for us here when we need them. Dick always felt safe and well taken care of by everyone and now he is safe and well taken care of by his Lord. Thank you so much for everything. Gwen Boswell, Stephanie McCaffrey and family.

Renzelmans, on Sunday, April 15. Lucille Corder arrived home Saturday night, April 21, after spending a week with her daughter and son-in-law, Leigh and Terry Renzelman, in Denver. During the week they spent some of the time shopping at various stores. Carol Flaming and little Jailyn Mekelbury of Yuma came on Friday to visit Laura Pearl Wall. They drove to Haigler and were excited at seeing work being done on the old country schoolhouse, District

South 67, in preparation to moving it to Haigler.

The one-room schoolhouses were important in the development of the country and local citizens are happy that South 67 is to be moved from its lonely corner in Steve's cornfield to a place of prominence in the village. Stan and LaNeta Carlock are spearheading the project.
