

School year is over —

On the last day of school, kindergarten students take a ride around town on the fire truck, lights flashing and siren sounding.

SIXTH GRADERS, top left, entertained the audience with a partner dance at the promotion ceremony on May 22. Pictured, (l to r) are Hannah Rider; counter clockwise: Emily Elfers, left, and Hannah Stafford, in their science project, learned proper vocabulary terms for science experiments including hypothesis, procedure, conclusion and others. Garrett Brunk worked with measurements, cups, pints, quarts and gallons. Jake Faulkender appears to have lost his enthusiasm for school work.
