Mail carrier retired

Tom Sharp, rural route mail carrier, is retiring after 30 1/2 years of service, beginning with St. Francis Route 3 then adding Route 1 out of Haigler four years later. He has worked under six postmasters in St. Francis and three at Haigler, beginning (in Haigler) with Violet Trembly/Relph. Rita Stute assumed the position when Violet retired. Betty Sargent is the current Postmistress.

In the earlier years, Tom's Haigler route took him through the Horse Thief Canyon Breaks into Kansas and continued on west to the Devil's Gap Canyon road past Rex Daniels. Many times, he said, his track was the only one made through the canyons since the previous day. Each day he drives 122 miles with 150 boxes along the route. Not many of his original patrons are remaining.

Tom grew up in the area and is well acquainted with the people on his route. He has enjoyed serving them and says he is going to miss them.

June 30 will be the last day Tom will be delivering mail. His mailing address is RR 3, Box 150A in case anyone would like to send him a card or note of appreciation.

Save Country School 67 South project

The Save Country School 67 South Project is continuing its progress. \$10,000 has now been raised through donations from indi-

viduals and businesses. Grant writing is underway, but additional matching funds are still needed. So if you have not yet participated, your contribution will help save, preserve, and restore this one-room country schoolhouse. Plans are being made for a ground-breaking ceremony later in July - watch for the announced date. The move of the school from the cornfield to Haigler will happen in August. Volunteers have been working many hours on the building to ready it for the move. Stay tuned for updates. This is an important community project for Haigler and for Dundy County.

LaVoine Collicott was able to come to Haigler on Sunday for a late celebration of Father's Day. He enjoyed the day in the home of his daughter and husband, Galena and Stan Webster. Other lunch guests were his two other daughters, Myrna Mulligan and husband, Charlie, and LaNeta Carlock. Family members enjoyed touring the Village with LaVoine's golf cart.

Shirley Ridgeway of North Platte, Neb., arrived at the home of her sister, Dode Faylor on Monday, June 18. Shirley spent part of several days with her mother at Hillcrest Care Center. She returned to her home on Friday, June 22.

On Thursday, June 21, Dale Faylor's sister and husband, Joan and Bob Spears of Niland, Calif., arrived at the Faylor's. The Spears'

were visiting family members in Colorado, Nebraska and Kansas.

On Saturday the Faylor's and Spears' attended the graveside service for Audrey Brown at Clough Valley. Audrey was the wife of David Brown of North Carolina. David is a brother of Jean Moore of St. Francis. Jean and David are cousins of Dale. After the services the group gathered at the Russel Moore Home where dinner was served. A large number of the relatives and friends in the group had not seen one another for many years so the time together was spent in reviewing the events occurring during the intervening years.

Joan and Bob Spears left Sunday morning, June 24. They will be visiting more family members in Nebraska, Colorado, Oregon and California before arriving back at their home in Southern California.

Pastor Inez Foster of Spencer came on Tuesday and visited Laura Pearl Wall and others until Saturday. They were dinner guests of Carol Flaming and Logan Klein at a cafe in Wray on Wednesday.

Guests in the Wall home on Friday included Dwight Wall of Lewellen, Inez Foster, MerryLu and Bob Simmons, Dusty Wall and Art Vasquez.

Lorene Crabtree-Rohn of St. Francis visited Laura Pearl Wall on Saturday afternoon. Lorene is a niece of Richard Wall and has re-

cently moved to St. Francis. Other guests were Dusty Wall, Wendy and Blaine Lee.

Carol Flaming, Heather and Logan Klein, Wendy and Blaine Lee, all of Yuma, came to the Wall home on Sunday afternoon. The boys are interested in early history of our country so they spent their time building a fort of old Sanborn bricks.

The Randy and Laurie Perila family attended a reunion of the Perila brothers and their families in Kansas City over the weekend. They spent Sunday night at the home of Bob and MerryLu Simmons. Laura Pearl Wall, Quentin and Tonya Simmons visited at the Bob Simmons home on Monday morning.

Ray and Floy Ruggles attended a birthday celebration for 105-year-old Nancy Hanson of Yuma, Colo. This amazing little lady is agile and active, has a sharp memory. In spite of loss of hearing and much of her sight, she attends and participates in church services every week. Her positive attitude no doubt has contributed to her long life. Although none of her peers are around anymore about 40 of her acquaintances from the community came to the open house Saturday afternoon to enjoy the punch and birthday cake and wish her well.

Paper Photo Policy

The Saint Francis Herald and Bird City Times wants to emphasize photos of people doing things in the community. If you know of an event or new happening that we should attend, please call 332-3162.

Please be sure to allow a couple

of days' notice so we can be there.

Space in the paper is limited and so is the time of our staff, so we may not be able to get to every event. Because space is so limited, we cannot run team or group photos, any pictures of people lined up or of

people passing checks, certificates and the like. (We will always try to make room for a story about any of these events, however.)

We do run wedding and engagement pictures and "mug" shots with stories and obituaries, when they are provided to us. Please remember that we need a clear, sharp picture. Dark or fuzzy prints will not work.

We cannot return photos unless you submit a self-addressed, stamped envelope with clear instructions for return. Other photos submitted may be picked up at our office within two weeks. After that, they will be disposed of.

Laser prints of photos which have run in *The Herald* or *Times* are available, first come, first served. Special-order laser prints of photos will be available at \$3 each.
