## Thank You

Thank to the Cheyenne County Hospital, the nurses and the doctors for the wonderful care given to Mary Walden. The Mary Walden family

Thanks to everyone who sent cards, called, brought food and for the prayers and thoughts while I was in the hospital and since being at home. Also thanks to the hospital staff, Dr. Johnson and Pastor Jeff. Pat Confer

Thank you for the prayers, cards, food and acts of kindness during the death of our Mother, Mary Walden. The Eldon Walden family, Carolyn Ratzlaff family and Gene Metcalf family.

Than you to the Alumni Associatio for purchasing a bench in our honor. The class of 1957

Thank you to the Haigler ambulance service for bringing me to the hospital in St. Francis. Thanks to the hospital staff. Tobe Zweygardt

We wish to extend a huge and heartfelt thank you to Larry and Terri Finley and Cara and Rod Weeden for hosting our 2007 reunion activities. A very special thanks also goes to the 'hometown crew' for all of their planning and preparations to make our 25th class reunion such a wonderful weekend! We're already looking forward to our 30th reunion! Love, The Class of 1982

A big thank you to each and every one of you who visited me, sent a card, flowers or brought food to me while I was in the hospital or since I've been home. Your prayers have also been deeply appreciated. It's great to live in a section of the country where people care for each other. Thank you again and may God bless you. Phyllis Wingfield

Thank you dear friends and neighbors for every thought, prayer, kind deed and wonderful care to Albert during his illness and his family since his death. The poet Helen Steiner said it so well:

In spite of the fact we complain and lament  
And view this old world with much discontent,  
Deploring conditions and grumbling because  
There's so much injustice and so many falws,  
It's a wonderful world and it's people like you  
Who make it that way by the things that they do—  
For a warm, ready smile or a kind, thoughtful deed,  
Or a hand outstretched in an hour of need  
Can change our whole outlook and make the world bright  
Where a minute before just noting seemed right—  
It's a wonderful world and it always will be  
If we keep our eyes open and focused to see  
The wonderful things man is capable of  
When he opens his heart to God and His Love.

## NSF Skin Disease

NSF/NFD is characterized by areas of tight and rigid skin that makes it difficult to bend joints. Some patients with kidney disease have developed NSF/NFD after having an MRI scan containing a toxic injectable contrast agent called Gadolinium. If you think you may have NSF, please call us.

## SENIOR CITIZEN ALERT Don't Get Scammed

Older Americans are the No. 1 targets of INVESTMENT FRAUD. The files of state securities agencies are filled with tragic examples of seniors who have been convinced to give their savings, windfall insurance payments and even equity in their homes to con artists for fraudulent investments. BEFORE giving money, or if you believe you have been the victim of a scam, contact the Office of the Kansas Securities Commissioner: 1-888-40-SCAMS
