## At the Game

### Sharks earn medals

The Sainty Sharks traveled to Oberlin Saturday, June 17, for the third meet of the season.

"Many of our swimmers did great jobs and swam well," Coach Margaret Poling said.

"At each meet our team is supposed to provide six timers and lane judges and two stroke and turn judges. We are having trouble finding enough parents to participate. We would like to especially recognize Jolene Dodd, Tammy Sherlock, Ben Smull and Trish Taylor for putting lots of hours on the pool deck to support the team.

"We had several swimmers who were able to participate in the relay part of the meet because of exhibition relays. This is a fun part of the meet and we are short swimmers in the 13-14 age group.

Practice swimmers for the week included Braden Schmid, Gavin Smull and Amber Smull. They came to each practice even in the rain and worked hard.

Hard work pays off at the end of the season and we find these swimmers improving their strokes and lowering their times. I hope they keep up the good work.

"Every swimmer placed in some event this week and that is a great effort. I continue to be proud of each of the swimmers as they swim through the season."
