## Kids enjoy 4-H shooting program

The Cheyenne County 4-H Shooting Sports added archery to its program this year.

Archery is off to a great start with some very excellent archers: Trevor Sturgeon, Isaac Sturgeon and Aryn Sturgeon from the Go-Getters, Thomas Douthit from Plum Creek, Christina Schoenrogge and Laura Brunk from Pleasant Hill and Tay-

lor Archibald from Lawn Ridge. They range in age from 11 to 17.

The 4-H archers shoot with a recurve bow which requires more skill and accuracy than other bows but these kids have shown they are up to the challenge.

Shooting sports will be holding competitions during the fair, look for the archers to be competing on

Wednesday, July 25, at the St. Francis Gun Club.

Francis O'Leary, shooting sports director, has given the 4-H'er's support and handy-man work, and Sand Creek Electric, United Methodist Thrift Store, the St. Francis Gun Club and other members of the community have donated items.

Heidi Jo Rohweder graduated magna cum laude with a bachelor of science degree in nursing from Fort Hays State University on May 12. She received her nurse's pin at the pinning ceremony held on May 11.

Miss Rohweder was inducted into the following honor societies during her four years at Hays: The National Collegiate Scholars, Alpha Lambda Delta, Phi Kappa Phi, Sigma Theta Tau International Nursing Honor society and was nominated for the Leora B. Stroup Award (Ms. Stroup was a past dean of nursing).

She is a member of Fort

Hays Association of Nursing Students. She was a MatCat for four years and president her senior year. She worked with the Fringe Theatre Company for two years.

Miss Rohweder took and passed her nursing boards and is now a registered nurse at Hays Medical Center in Hays.

At her kindergarten graduation she was asked what she wanted to be when she grew up...her reply: "I want to be a nurse just like my mommy." - Now she is.

Heidi is the daughter of Dick and Michele Rohweder and the granddaughter of Ed and Lavon Schlittenhardt.

## Couple plan wedding

Kari Nichole Gienger and Nathaniel Jack Ryan Toon are planning an October wedding.

Parents of the couple are Tony and Joan Gienger and Jack and Sheila Toon and Kent and Tammy Jantz.

The bride-to-be is a 2003 alumni of St. Francis Community High School and a 2006 graduate of Fort Hays State University where she majored in business administration.

The groom-to-be is a 2004 alumni of Cambridge High School in Cambridge, Neb., and is a student at Fort Hays State University where he is majoring in computer science.

They are both employed at NEW Corp. in Hays.

### Fun Facts

As incredible as it sounds, men and women took baths only twice a year! (May & October) Women always kept their hair covered while men shaved their heads (because of lice and bugs) and wore wigs. Wealthy men could afford good wigs. The wigs couldn't be washed so to clean them, they could carve out a loaf of bread, put the wig in the shell and bake it for 30 minutes. The heat would make the wig big and fluffy, hence the term "big wig." Today we often use the term "here comes the Big Wig" because someone appears to be or is powerful and wealthy.

## Book Review

### Lisey's Story

By Stephen King

Lisey Debusher Landon lost her husband, Scott, two years ago, after a 25-year marriage of the most profound and sometimes frightening intimacy. Scott was an award-winning, bestselling novelist and a very complicated man.

Early in their relationship, before they married, Lisey had to learn

from him about books and blood and bools. Later, she understood that there was a place Scott went, a place that both terrified and healed him, that could eat him alive or give him the ideas he needed in order to live.

Now it's Lisey's turn to face Scott's demons, Lisey's turn to go to Boo'ya Moon. What begins as a

widow's effort to sort through the papers of her celebrated husband becomes a nearly fatal journey into the darkness he inhabited.

Perhaps King's most personal and powerful novel, Lisey's Story is about the wellsprings of creativity, the temptations of madness, and the secret language of love.
