

# Junior high team plays eight-man

By Betty Jean Winston  
bettyw@nwkans.com

The Quinter Bulldogs played a strong junior high football game on Thursday night and defeated St. Francis 38-6. The two teams played eight-man football.

"This was a good old fashioned beat down, and unfortunately we weren't the ones doing the beating," Coach Jeff Beims said.

"To some extent we were a victim of circumstances out of our control,

but in the final analysis we were manhandled in every facet of the game, start to finish, and that is something that we can control.

"Although football is the quintessential team sport, the fact is that you have to beat the guy across from you on every play, and we didn't do that. I hope we have a better effort Thursday against Oakley.

Ty Zwegardt scored the lone Indian touchdown on a 82-yard kick return.

on food items. Antique stores in St. Francis, Bird City and Goodland will have special items listed during the weekend. The St. Francis high school sophomore class will hold a giant garage sale in the band shell located in Sawhill Park, downtown St. Francis.

Other businesses getting in on the Treasure Hunt are Donna's Gift Palace, United Methodist Thrift Store, Diamond R Bar and Grill and Schultz's, all on Washington Street. They will make the shopper's trip downtown worthwhile.

There are other such events held in other states. This is the second year for the U.S. 36 Treasure Hunt and it is expected to continue.

"This is great fun," said Mrs. Northrup. "We are looking for a lot of out-of-town people and plan on doing as well this year as last year."

## REUNION

"Her fiddlin' expertise and radiant voice are widely known in Scottish, Irish and American traditional music circles," Mr. Mahlberg said. She is also an educator and composer, playing and teaching violin, fiddle, guitar, banjo and several other instruments. She will be accompanied on the guitar by Tom Broderick, who is also an accomplished musician.

The weekend will end with a drawing for the winner of the quilt and baskets made by the Beecher Island Helping Hand Club.

## Cattle arrive at Bird City Dairy

By Karen Krien  
karenk@nwkans.com

Since April, there have been trucks going back and forth, buildings being constructed and, now, at last, the first load of cows is coming in to the Bird

City Dairy this week.

The dairy will be managed by Mike McCarty, one of the three sons of Tom and Judy McCarty. They have a second dairy at Rexford which they built four years ago.

The dairy is expected to bring an economic impact to Bird City as well as the rest of the county. As of Monday, there has been an additional 16 students enrolled at Cheylin and there has been an increase in Bird City's population due to dairy workers.

Cathy Domsch, director of the Century II Foundation and the main recruiter for bringing in the dairy, said one of the big objectives was to increase school enrollment. Every town needs a school, she said.

Look for more about the dairy in upcoming issues.

ers are putting an added emphasis on reading, especially in grades kindergarten through third. The teachers have attended two workshops focusing on improved teaching skills, there are 18 high school students who have volunteered to work with the students in the accelerated reader program. There are also several adults who have volunteered some time to help with the reading program.

"It is so important for young read-

ers to get off to a good start and the St. Francis schools are really focusing on getting the job done," said Ward Cassidy, At-Risk Reading coordinator.

If there are any adults who would like to volunteer to help, call Mr. Cassidy at 332-8154.

## Household Hazardous Waste Roundup!

Do You Have Any Unwanted Products Stored at Home!

- Paints
- Solvents
- Cleaners
- Pesticides
- Aerosol Cans
- Batteries
- Used Oil

MARK YOUR CALENDARS!

Cheyenne County will hold a Household Hazardous Waste Collection Day on **Saturday, Sept. 22 from 1:00 p.m. to 3:00 p.m.** at the Cheyenne County Landfill.

Materials accepted include paints, solvents, cleaners, pesticides, aerosol cans, batteries and used oil. Automobile lead acid batteries will be accepted. Please have the materials in sturdy boxes for easy and quick unloading. Have your used oil in disposable containers. Farm chemicals, appliances, tires, yard waste, explosives, school lab chemicals, medical waste, radioactive waste, ammo, compressed gas cylinders (propane), asbestos, dioxins or silvex will not be accepted. Program organizers reserve the right to reject delivery of materials.

Participants are asked to leave all materials in their original containers. If the container is leaking, pack the container "as is" in another larger container and label it clearly. If another container is used, be sure it is clearly labeled. Do not mix contents of different containers. Securely package materials before transporting. Do not carry open containers of liquids with strong odors or spill potential in a closed automobile. Pack the containers so they won't tip, break or spill during travel. Waste oil should not contain gasoline, solvents, decreases, paint or antifreeze. Keep all household hazardous waste away from children and animals.

Due to KDHE regulations these are items that can't be picked up during the City-Wide Cleanup later in the month. You do not need to call prior to bringing items to the Landfill. If you have questions, please call the Landfill at 785-332-8842, Tuesday through Saturday.

**No Household Hazardous Waste items accepted early or after the clean up date.**
