## Youth attend show

Kyla Bandel, Mariah Beikman, Martin Beikman, Lakyn Pettijohn and Dallas Reed all of St. Francis, were among the youth livestock exhibitors who have entered 1,616 animals in the Kansas Junior Livestock Show. This is the largest number of livestock entered in 20 years.

A total of 767 exhibitors will show 146 steers, 310 heifers, 468 hogs, 304 lambs, 39 ewes, 198 wether dams and 151 meat goats. The competition will take place Sept. 21 to Sept. 24 at the Kansas Coliseum near Wichita.

The top five steers, hogs and lambs, and the top two goats, will sell during the Kansas Junior Livestock Show Auction of Champion on Sept. 24. Exhibitors of the winning animals typically use money earned from the auction to help fund their college education and purchase next year's livestock project.

Show organizers will present a minimum of \$12,000 in scholarships to exhibitors who have excelled academically, in community service and in 4-H/FFA.

"The responsibility of preparing for and showing at this event provides a great learning experience for Kansas youth," said Kansas Junior Livestock Show president Todd Johnson, Topeka.

In conjunction with the livestock shows, a showmanship contest will be held. Champion showmen in the contest, sponsored by the Kansas Junior Livestock Association, will receive silver belt buckles.

Bandel will be showing two Market Barrows.

Mariah Beikman will be showing a Market Steer.

Martin Beikman will be showing a Market Barrow.

Pettijohn will be showing two Market Barrows.

Reed will be showing two Market Barrows and a Meat Goat.

## Ladies win twice at Wray Thursday

By Betty Jean Winston

Thursday was a good day for the Lady Indian volleyball team. They traveled to Wray and swept the matches, defeating Wray 25-18, 25-22, 14-25, 8-25 and 15-13 in the 3-out-of-5 competition and Idalia 25-12, 29-31, 25-22, 23-25 and 15-12.

Each match went the five game limit meaning the teams competed in 10 individual games.

"The exciting thing about the Thursday matches was that we played two five game matches back to back and played well throughout most of the evening," Coach Kent Kechter. "We played with especially good focus and extreme effort."

"Either match could have gone either way, but the girls really executed and competed with the match on the line. We made some 'big' plays.

"Every one chipped in with positive play. The substitutes coming in off the bench made big contributions.

"Elizabeth (Gienger) had an especially good day. Holly (Keller), Katie (Marin) and Dara (Loyd) really played well defensively."

### vs Wray

Game scores in the Wray match were 25-18, 25-22, 14-25, 8-25, 15-13.

"We played well against a very talented and athletic Wray team and were fortunate enough to win the match," Coach Kechter said. "We won the first two games in extremely close contests and then 'the lights went out' (Literally). A transformer blew just as game two was completed. We sat in the dark for about 15-20 minutes until power was restored. It just seemed to kill our momentum.

"In the third and fourth games of the match, we did not play as well as the first two, but Wray executed very well. Game five was tight all the way. We made some very big plays near the end to seal the win."

Sainty was 93.2 percent on serves (88 attempts, 82 in) and 85.5 percent on the attack (145 attempts, 124 in).

"We won game one easily," Coach Kechter said. "I told the girls that you better get ready because Idalia is much better than they played in game one. And they (Idalia) woke up. They have a tall, talented, very athletic, and young team. We had our hands full from then on."
