Have you driven by Country Schoolhouse 67 South on Porter Avenue lately? Work continues on the outside structure. All wall cracks in the stucco have been sealed; the school has been power-washed, all new ceiling rafters

installed, and the roof work is underway. Also, the financial contributions are now at \$25,000--so it is hoped the \$30,000 goal (set 5 months ago) will soon be reached. If you have not yet contributed to this project and would like to have your name placed on the donors list; please send to Save 67 South, PO Box 144, Haigler, NE 69030. Donations of old school desks, wall maps, books, and other items are being delivered. If you have

any old school items from 1897-1945 that you would like to donate, they would be most appreciated.

Rushmore in South Dakota. They were given a tour of the facilities at Black Hills Health and Education Center near Hermosa, S.D., spending the afternoon and staying overnight in one of the center's guest rooms. The center operates a massage therapy school; also has an ongoing program using diet, massage, exercise and other

circulation stimulating methods for improving health. Many patients who enter barely able to walk, after going through the two or three week program, come out walking several miles a day. Ray and Floy witnessed the graduation ceremony and heard the glowing testimonies of a group of about a dozen happy people ready to go home much healthier than when they came.
