Clinic adds visiting hours

The Cheyenne County Clinic in St. Francis will be extending the clinic hours. This service to the communities is due to the addition of two physician assistants.

Physician assistants Kristle Neuhalfen and Tyler Raile have joined Dr. Mary Beth Miller, Dr. Rebecca Allard and physician assistant Patrick Delano.

The St. Francis Clinic is now open from 8 a.m. to 6 p.m. Mondays through Thursdays; 8 a.m. to 4 p.m. on Fridays; and 9 a.m. to noon on Saturdays.

Regarding the Saturday morning clinics:

- The clinic will be on a walk-in basis only — there will be no scheduled appointments.
- There will be only one provider in the clinic that day.
- Patients will be seen on a first-come-first-serve basis.
- The clinic will be canceled if the provider is called to the emergency room.

The Bird City Clinic is now open 9 a.m. to noon Mondays through Fridays. It is important to note that the Bird City Clinic will no longer be open on Thursday afternoons. Each provider will be in the clinic one day per week and another pro-

vider will fill in on those days when the scheduled provider cannot be in the clinic.

The normal schedule will be Tyler Raile on Mondays; Dr. Allard on Tuesdays; Patrick Delano on Wednesdays; Dr. Miller on Thursdays; and Kristle Neuhalfen on Fridays.

The county health nurse is now in the Bird City Clinic from 1 to 4 p.m. on Mondays.

Open house

An open house is being planned from 2 to 4 p.m. on Nov. 11 at the Cheyenne County Hospital. Everyone is urged to come meet the providers as well as the new ambulance bay, patient beds and lifts and the physical therapy area.

People will also have the opportunity to tour other departments of the hospital and learn what services each department can offer. Look for more information on the open house in future.
