

# Cheylin fourth graders tell of their favorite things

The students of Tammi Carmichael, Cheylin fourth grade teacher, were asked "What is the most favorite thing you do during the Christmas Holiday?" and "If you could do anything you want, what would you do?" Here's what they had to say:

My favorite thing to do is to open my presents and we have a party. My family and my friends come to the party at my aunt's house in Oberlin. We play games and have lots of fun together. Everybody brings food to share. There is always lots of good food to eat. I love all the food.

If I could do anything, I would play Christmas games. I like to play games.
