

St. Francis fifth graders tell their family traditions

The fifth grade children were asked two questions. What is your favorite family Christmas tradition and What don't you like about your family Christmas traditions?

Being with my mom on Christmas night and being with my dad on Christmas day. So that way I get to see all my family members, cousins, aunts, and uncles.

The thing he doesn't like about his family Christmas traditions was answered "I like all of it except saying good bye."

Tristan Archer

My favorite family Christmas tradition is when my mom bakes a big cake that has frosting on it saying we wish Jesus a merry B-Day. Then we go and buy Jesus a good present.

What I don't like about my family Christmas tradition is when our cousins and uncle and more do not come to our house to celebrate.

Nicky Easter

My favorite family tradition is, first all the kids get to open their presents one at a time. Then all the rest of the presents are for the adults. So they pick the first person and have a gift exchange! How cool is that?

What I don't like about our Christmas traditions is that my mom never gets anything that has apples on it.

Brianna Cooks

For our favorite family tradition we all open one present each Christmas Eve. We open the rest Christmas Day.

What I don't like about my family is Christ-

mas traditions is that we all go to a place to eat lunch and my whole family comes.

Jon Hoard

Our favorite family Christmas tradition is that my family gives a present to everyone in the family and we have food and pop and we open presents from Santa.

I don't like my family tradition because I am the smallest and I am always go the last person to open them.

Tanner Gilliland

My favorite family Christmas tradition is we always to my grandparents.

What I don't like about our tradition is when I am the one who has to watch the little kids while the adults talk and enjoy the cider.

McKayla Taylor

My favorite family tradition is to eat food (different every year). Then we sit by the Christmas tree then Kara will open a present, Justin, then Kylee, we go until all the presents are gone. It is fun!

The worst part of Christmas is when it is over and we all have to go and you have to say good-bye.

Lauren Samuelson

My favorite family Christmas tradition is we get to go to my Grandma Jean's house for Christmas and we also get to go to my Grandma Dot's house too.

What I don't like about our family Christmas tradition is that when we go to my Grandma Jeans we have to drive for four hours to get

there. What I don't like about when we go to Grandma Dot's is not all family members get to come.

Mariah Beikman

My favorite family Christmas tradition is we go to Fort Scott and see my grandma and my cousins.

I don't like that you have to say good-bye to the family members you don't get to see often after Christmas is over.

Kyla Bandel

My favorite family Christmas tradition is when my family that lives in Sainty comes out Christmas morning and opens gifts.

I don't have anything I don't like about our family tradition.

Shakotah Blanka

My favorite family tradition is when we go to my grandma's house and we stay the night.

I do not like something's about my family tradition. After we spend the night we have to go the next day.

Valerie Wurm

My favorite family Christmas tradition is when my grandpa comes over and we either travel or stay home.

The only thing I don't like is we don't get to open a present on Christmas Eve.

Justice Wiley

My favorite Christmas tradition is when we go to my Grandma and Grandpa's Bracelin's house. But first we open our presents

from Santa with Nana and Papa Smull at our house.

What I don't like about our family tradition is sometimes when we have to travel to Hoxie and spending the night there. The other Christmas tradition is when all the adults go take a nap and watch football.

Cade Bracelin

My favorite family tradition is going shopping to get presents for each other.

What I don't like is going to a different place every year.

Ian T. Schmid

My favorite tradition are waking up on Christmas Morning in my own house, opening presents and then playing with them.

On Christmas eve my family and I go to church. Afterward we go to my grandma and grandpa's house and eat and open presents.

What I don't like is that we go to church.

Kyler Zwegardt

My favorite family Christmas tradition is when my cousins from Texas come up and we get to open presents.

I like everything about my family Christmas traditions.

Ashlee Nicole Orth

My favorite family tradition is gathering around the Christmas Tree, and getting all of our presents and opening them at the same time.

What I don't like is that it has to end.
