

Sainty sixth graders tell their favorite Christmas

The question for the sixth grade was "What was your favorite Christmas?"

My favorite Christmas is every Christmas. We always have dinner at my grandparents house. The main thing is we get to see our cousins that we don't usually get to see.

My favorite Christmas was when I got an X-box. The X-box came from my aunt and uncle. It had games loaded on it.

I did not play it as much as my brother. So, that was my favorite Christmas.
