# Local artist's oil paintings displayed through January

## **By Karen Krien** karenk@nwkansas.com

McDonald artist, Marilyn Frisbie, is showing her oil paintings through the month of January at the Goodland Grind and Gallery at 1530 Main Street, Goodland. The business features an artist each month.

Mrs. Frisbie began her painting career over 40 years ago. She said she took one lesson and she was "hooked!" Through the years, she tried different mediums but, early on, she decided she liked working in oils.

"If I don't like it, I can sand it off but, if it is a water color, the paper is wasted," she said.

In her early days of painting, she painted on barn wood. Another artist, Russ Hamilton, told her she was too good to waste her talent and brushes on wood. She also used canvas board which she has found is not like painting on framed canvas.

At a workshop conducted by Lee K. Parkinson, a Utah artist, she discovered using a glazing technique which she has used for the last 30 years.

"I like the effect it gives the painting," she said.

Her inspirations for the paintings may come from different sources and times. She has found that the windmills and western plains scene sell better than mountain scenes. She has lived in both areas, coming from Colorado and now living in northwest Kansas with her husband Gilbert.

During the drought, she painted the "Promise of Rain," a painting of a thunderstorm and lightning.

"I had never painted lightning but, this painting was just what I wanted," she said.

It was a painting that, she said, seemed to "flow" out of the brush.

However, not all paintings come that easy. She will often leave a painting and then come back to it. She also has her easel in a room down the hall where she can see the painting and, being able to look at it from a distance helps her better see what she wants in the painting.

"You need the desire (to paint) in your heart," Mrs. Frisbie said. "I love what I am doing so much that each painting is a part of me."

Donations were given in honor of living loved ones, not necessarily residing in the Village, or in memory of deceased loved ones.

"Your giving, occasionally anonymous, was very generous and the Village staff realized that these funds could have been given to many other worthy causes," Ms. Redding said.

The funds raised this year will go toward replacing the floor covering in the activity room.

People are urged to stop by the Village and see the new floor which will be installed in the near future. While there, stop by and visit the residents. They enjoy visiting with friends and neighbors.
