Book Review

Book review from St. Francis Public Library
The Prince
By William Simpson

For the last two and a half decades, the United States and Saudi Arabia have had a very special relationship - through war, oil crises, and global terrorism. At a time when understanding our friends is as important as knowing our enemies, understanding Prince Bandar bin Sultan may be the key to figuring out the Saudis. As the illegitimate son of a Saudi prince and a servant girl, Prince Bandar overcame his unrecognized beginnings to rise through the ranks of the Royal Saudi Air Force. Through his work with President Carter on the sale of F-15s to Saudi Arabia and his vital behind-the-scenes help in getting the Panama Canal Treaty through Congress, Bandar became one of Saudi Arabia's brightest diplomatic stars - leading to his appointment as the Ambassador to the United States.

As Ambassador, Bandar worked with President Reagan and CIA Director Bill Casey to win the Cold war with Saudi petrodollars. Seemingly in the thick of some of the most important world events of the last twenty-five years, Bandar played a key role in the Iran-Contra affair; convinced President Gorbachev to withdraw the

soviet military from Afghanistan; and negotiated an end to the Iran-Iraq war among others. A Machiavellian manipulator and a master tactician on the global chess board, Bandar has had unmatched access to the Oval Office. George H. W. Bush took the prince and his family fishing; Nancy Reagan used him to convey messages to her husband's Cabinet; Colin Powell would drop by to play racquetball. During the Gulf war, Prince Bandar even became a de facto member of the National Security Council.

In this revealing biography, William Simpson pulls back the curtain for the first time on the fascinating and startling life of a man of contradictions - equally at home in the royal palace in Riyadh as on the ski slopes of Aspen or playing hardball politics with international heads of state; a super-wealthy playboy yet a devoted family man; an expert in subterfuge and misdirection, yet a straight talker trusted the world over; a man of peace and yet the biggest arms dealer in the

world - who emerged throughout the 1980s and 90s as one of the driving forces behind American foreign policy. *The Prince* is sure to become the definitive work on the Machiavellian Saudi behind the White House.

SFCHS HONOR ROLL

SECOND NINE WEEKS ♦ 2007-2008

COMPARE OUR CD RATES.

Bank issued, FDIC-insured to \$100,000

1-year Minimum deposit \$5,000 4.45% APY*
3-year Minimum deposit \$5,000 4.45% APY*
5-year Minimum deposit \$5,000 4.60% APY*

*Annual Percentage Yield (APY), effective 1/11/08. Certificates of Deposit (CDs) are federally insured up to \$100,000 (principal and interest accrued but not yet paid) per issuing institution. CDs are also federally insured up to \$250,000 (principal and interest accrued but not yet paid) in qualified retirement accounts per issuing institution. Subject to availability and price change. CD values may decline in a rising interest rate environment, and the market value may fluctuate if sold prior to maturity. The amount received from the sale of a CD at current market value may be more than, less than or equal to the amount initially invested. FDIC insurance does not cover losses in market value in these instances. Early withdrawal may not be permitted. Yields quoted are net of all commissions. You pay no additional commissions, annual fees or periodic charges. The estate feature allows heirs to redeem the CDs upon the death of an owner at face value plus interest earned, subject to limitations. CDs require the distribution of interest and do not allow interest to compound. CDs offered through Edward Jones are issued by banks and thrifts nationwide. \$5,000 minimum investment per issuing institution. All CDs sold by Edward Jones are registered with the Depository Trust Corp. (DTC).
