Six of the nine Indian wrestlers who participated in the Bob Kuhn Classic at Hays on Friday and Saturday came home with a medal. Medals were earned by placing in the top six in each weight.

Cody Sherlock at 112 placed third; Terrence Lamb at 125 and Gavin Smull at 135 placed fifth and Darris Keller at 119, Scott Ford at 160 and David Guthmiller at 189 placed sixth.

There were 21 teams participating and they ranged from 3-2-1A school up to schools ranking 5A.

St. Francis had four mat men on the injured list who did not compete including Josh Carpenter, Justin Sherlock, Adam Guthmiller and Talon Jones.

Phillipsburg scored 180.5 points and earned the team championship. St. Francis placed 10th with 82 points.

"Cody's (Sherlock) only loss was to the eventual champion. He wrestled well all day.

"Darris (Keller) wrestled well in his match against Trevino which was the match to get into the medal round for placing. He looked pretty good even in the last two matches he lost.

"Terrence (Lamb) just lost his match to Samuelson of Oakley by one point (1-0). In his match with Murphy he was 4-3 in the middle of the third period but got caught and lost by a fall. He had a good tournament and is getting better.

"Gavin (Smull) beat a good kid (Newberry/Shawnee Heights) to get into the medal round. Newberry had a 17-3 record. The top six kids in this weight had good balance.

"Jesse (Pacheco) lost to the eventual champion in one of his matches. He had a close match with Rodriguez of Ulysses which ended in a 12-11 loss. He wrestled Munsch of Salina Central to get into the medal round. This is the same kid he lost to to get into the medal round last year.

"Trevor (Reed) was wrestling for Justin Sherlock who is injured. It was good experience for him.

"Scott (Ford) had a good day. Against Gehring of Ellis he scored nine points in the third period as the score was 12-10 going into the third and he won 21-10. He was injured during his last match so had to injure default.

"Grady (Brunk) was wrestling for Adam Guthmiller and he won a match. It was good experience.

"David (Guthmiller) won a match against Stout of Ellsworth. David had lost to him last year at the Phillipsburg tournament so it was good to come back and beat him. His last two matches could have gone either way.

"Some wrestlers had close-tough matches but they learn from them and get better."

## Eighth grade girls play tough against Hoxie basketball team

The junior high girls were back on the basketball court on Thursday, Jan. 17 and this time it was the home court. They played at home again Monday evening with results next week.

### A-team

#### Hoxie 21, St. Francis 16

St. Francis fans saw the young ladies play Hoxie tough but losing 21-16.

"This was another close, hard-fought game in which we came up just a little short for various reasons," Coach David Morrow said. "The first half was low-scoring and ended with a 7-7 tie. Hoxie pressured the ball very well and made it difficult for us to get into our half-court offense. When we were able to get the ball down to the basket, there were some easy scoring opportunities to be had.

"The second half was much like the first. We had chances to

take the lead and get a little bit of separation from Hoxie, but our opportunities slipped away. Perhaps the most telling stat of the game was our performance at the free throw line, from which we scored on two out of 15 throws.

"We have been very close to beating two of the best teams in the league, and we're just a handful of shots and a few rebounds away from being 2-0, instead of 0-2."

"Jennna Hill led in scoring with 5 points, and Jacquelyn Ketzner and Kaitlyn Figgins scored 4 points apiece. Tilyn Bell scored 2 points and Ashlynn Lambert hit one free throw.

### B-team

#### Hoxie 40, St. Francis 6

"Hoxie was able to get a fast start and build up a sizeable lead by halftime," Coach Morrow said. "Their defense

made it difficult for us to find open people and penetrate to the basket, which are two things we'll be working on in practice.

"Defensively, we did some good things throughout the game and occasionally made it difficult for Hoxie to score.

"Generally, what these games teach us is that we have a long way to go in order to allow our kids to be successful against vastly more experienced teams, which would include most of the other teams in the league. Their kids play competitive basketball for most of the year, and their experience gives them a large advantage against kids who haven't played much.

"Clarice Neitzel provided the bulk of the scoring with her 5 points, and Laura Brunk contributed 1 point from the free throw line."
