

Memorial Roster

The Memorial Roster Committee of the Kansas Day Association assembled the following record of Cheyenne County residents or past residents who died during 2007.

Even their best efforts are not enough to be able to say, with certainty, that the record is complete, for the deaths of many of the county's past residents are never known by the Kansas Day Memorial Roster Committee. Public input is encouraged in helping compile the roster.

Should anyone know of the death of a former Cheyenne County resident who is not included on this year's record, please contact the Kansas Day Association. Vada Leach is the Kansas Day Memorial Roster Chairman or contact Marsha Magley, secretary.

In the coming months, should anyone be aware of any names which should be included, please let the committee know so the information can be included in the Memorial Day Roster 2008.

Safety contest deadline Feb. 13

The Farm Bureau Safety Poster contest is winding down with all posters due at the Farm Bureau office by Wednesday, Feb. 13. Poster paper can be picked up at the Farm Bureau office.

In an effort to reduce accidents by developing "safety-minded" youth, Kansas Farm Bureau has sponsored the Safety Poster Program for over 40 years. "An effective safety poster displays

one main idea," said Alisa Rath, county Farm Bureau coordinator. "It's always interesting to see what safety topics the kids choose." The three divisions are: Grades first and second; grades three and four; and grades five and six. Posters submitted for competition at the state level must have a legible name and address to be judged. Poster board can be picked up at the Farm Bureau office at 102 E. Washington, St. Francis. Each child entering the contest will be given a pencil pack. The three winners from each division in Cheyenne County will receive a Kansas Farm Bureau backpack, certificate of achievement and recognition at the annual county meeting in August. For additional information, contact the Cheyenne County Farm Bureau at 785-332-3312.
