Thank you

Thank you to everyone for all of your loving acts of kindness of food, visitations, prayers and condolences following the death of my brother Wayne Goodell and my dear friend Maurice Blume. I would especially like to thank Pastor Jeff, my cousin Laurene, and my family for their love and support through this time. Aletha Murphy.

The family of Helen Frick would like to thank everyone for the calls, cards, prayers and memorials during this difficult time. It was very much appreciated.

We would like to express our sincere heartfelt gratitude to the hospital staff on duty (and the ones called in), for their immediate and professional response Wednesday night when Bonnie had her ex-

treme life threatening reaction to her chemo-therapy. Special thanks to Connie Jenkins for working late after an already busy day, Dr. Alard for coming in so quickly, lab and radiology technicians for coming back to work and everybody else involved. May God bless all of you. Dale and Bonnie Hill

The Cheyenne County Hospital would like to thank the family of Eva Murray for their generous memorial contribution to the hospital. Your continued support is greatly appreciated.

I would like to thank whoever it was that scooped my walk, deck and front porch. It was greatly appreciated. Betty Bock

A very special thanks to Alan, Sherry and Echo Jones who filled our wood shed with split wood. It means an awful lot to us. Thanks a Million. Bessie Dent

Thank you to whomever shoveled my walk. Lily Ruth

My mother, Leona Schuda, recently passed away after a year long struggle with lung cancer. Most of you didn't know this amazing woman. But that didn't stop you from just engulfing my family with the most comforting cards, memorials, hugs, and words of support. Once again, we are appreciative to live in such a wonderful county that cares for its residents so warmly. Your kindness to all of us

will not be forgotten and is richly appreciated. Mary Beth and Terry Miller and family.

Thanks so much to all who made the Cheyenne County Kansas for Life Spaghetti Luncheon a success. We appreciate your support as we carry out our mission, "To encourage and educate all people to respect the value of human life from conception to natural death through our words and deeds."

The family of Joe Mlinek expresses sincere appreciation for the hospitality extended to us as we brought our father back home to his final resting place. We will always remember your kindness. A special thanks to Dolores Kinchloe, Ken and Margaret Quigley and Carol Wolters for their everlasting friendship.

I recently spent a few days in a Denver hospital for surgery, then returned to the Cheyenne County Hospital for inpatient physical therapy. Wow, are we blessed to have a facility like this in our area! Every experience I had at the Cheyenne County Hospital was excellent. The physical therapy department is excellent in every way and very professional. Thank You! Fred Waters

Thank you Roland and Phyllis for the Valentine cookies. Your thoughtfulness is appreciated. The Herald staff
