## Extension offers dieting tip Feb. 12

Sunflower Extension District is offering "Change One — One Meal at a Time" at noon on Thursday, Feb. 12 in the extension meeting room.

Presented by Melinda Daily, those attending will learn about the simple skills of weight loss, one at a time, with plenty of chance for practice.

Many have tried one diet plan after another. There have been high protein diets, high carbs diets and just low fat diets. Some dieters find the dieter eating only grapefruit or cabbage.

The dieter loses a few pounds, they fell better about themselves, then boom! — Just like a boomerang — the weight comes back and then some.

Ms. Daily will be offering a simple plan and show dieters how to get the pounds off and

keep them off.

There will also be a taco party during the class and people are asked to bring a couple of dollars to help with the cost.

People wanting to attend the class will need to call the extension office, 785-332-3171 by Feb. 15 so plans can be made.
