Thank you

The St. Francis Junior class would like to thank all the parents and businesses that helped make Prom special.

The doctors say Gilbert's recovery is remarkable. We believe in the power of prayer. We want to thank every one of you for your wonderful prayers, get well wishes, phone calls and visits. It was such a comfort to us at a very stressful time in our lives. Gilbert was at the Kearney Hospital 7 weeks, then moved to the Madonna Rehab Hospital in Lincoln for 3 weeks, and in outpatient Rehab 2 weeks. Gilbert had a pacemaker put in April 14 at Bryan Medical Center and we came home April 15. Gilbert is now in rehab 3 days a week at the Colby Hospital and doing real good. Sincere thanks to a community that really cares. You are the best. Gilbert Frisbie Family

The family of Adelina Walter would like to thank everyone for the kind expressions of sympathy in her passing and the memorials given in her name. Bill, Sharon, Paulette, Gary and families

The family of Bob and Joyce Wiley would like to say thanks to all of you who contributed toward the memorials of their parents Bob and Joyce. We were able to purchase two park benches for Sawhill Park in St. Francis. These benches are now in place and the family invites you to "come and sit awhile" and enjoy the benches and the park. Marsha and Rick Zion and family, Cathy and Charlie Bandel and family.

Words cannot begin to express our gratitude for all the prayers, kind words and support you have shown our family. We so appreciate all the cards and calls to check on us. We know we have a long road ahead of us, but with God, and the best family and friends ever, we feel we can handle whatever comes our way. Thank you so much for your kindness — you give us strength and we feel truly blessed. Royce, Darci, Aubrey, Brittany and Craig

The family of Bob and Joyce Wiley would like to say thanks to the City of St. Francis for the work they did in pouring concrete for the benches that were donated in memory of their parents and placed in Sawhill Park. A special thanks to city workers Eric Fiala and David Meyer, and Scott Carmichael, Jeff Olofson and David Morrow for helping the family assemble and place the benches in the park. Marsha and Rick Zion and family, Cathy and Charlie Bandel and family.

Thank you to all of the doctors and nurses for taking such good care of me. Geraldine Thacker

Special thanks to my sister Susie, the doctors and helping hands at the clinic for the professional advice to send me to Burlington, Colo., to see the specialist doctor. Thanks so much to my buddy Betty Schneider for taking me to Burlington at the last minute! Thanks to the EMTs for the quick ride to the City. Thanks for the prayers, calls, cards, food and flowers. I enjoyed them all very much. To my family, thanks for being there for me. I am doing a lot better. Thanks so much! Judy Vaughn
