Elvis entertains during car show

Rainy, cold, windy weather caused the Elvis show to be moved to the grade school on Friday evening, but it didn't stop the crowd from the tri-state area from showing up. The performance, put on by Endre Samu, was excellent.

Mr. Samu sang one song after another to all age groups keeping the crowd entertained for an hour and a half. Many of the students and adults helped him with dancing and singing along with Elvis.

Endre announced that he and his wife, Rhonda, of 32 years, would be moving from their home in Limon, Colo., to Kentucky. He is retiring from being a correctional officer at the Limon State Prison.

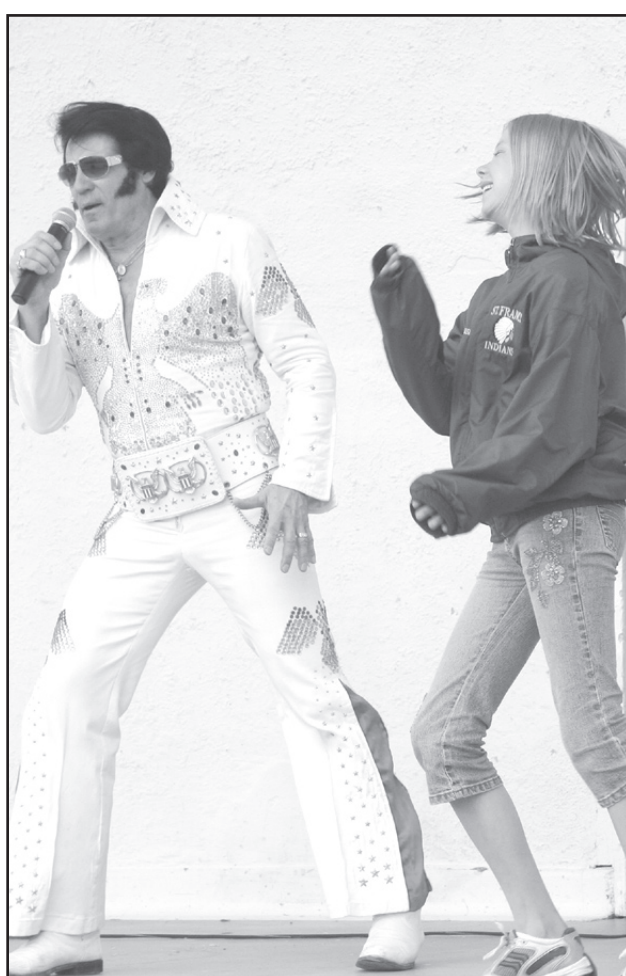

On Saturday morning he was at the band shell in the park to give another performance. Since it takes four hours for Mr. Samu and his helper, Danny, to set up all of the stage props and sound equipment he didn't move the props from the school.

Last year when he appeared as the entertainment for the car show he was so impressed with the band shell at the city park that he came back this year free of charge to raise money for renovations to the band shell.

At the end of his show he stated that he wanted to come back next year to perform again.

"How wonderful to be able to look forward to hearing him again," said Sandy Bandel, one of those attending.

Anyone who was not able to see the show can still give a donation to the renovation of the band shell at the First National Bank.

Lawn Ridge 4-H Club

The Lawn Ridge 4-H club met on Monday, May 5, in the clubhouse for parents night. Acting president Alan Archer called the meeting to order. Natasha Culwell led the flag salute. Tina Schmid led the club in singing "Head, Shoulders, Knees and Toes." Roll call was answered by 10 members, one leader and five parents.

Aimee Northrup read the minutes of the previous meeting and Natasha gave the treasurer's report. Alan reported that Vicki Cress would be the new foodstand coordinator for the 4-H Council foodstand. Dale Northrup reported on what the county Junior Leaders were doing. Christy Wurm informed the club about a community service project that she had lined up. She also reminded the club about planting trees when the

trees come in. She will send out cards or start the calling tree.

Under new business, the club discussed painting fair windows. It was moved to continue doing this and they will get with Peggy soon. Helping with the Bike Across Kansas was talked about. It was moved that the cooking class get together and make cookies for this.

Aimee gave a demonstration on how to make shakable maracas and Christy gave a project talk on her Mexican jumping beans. Ericka had the club play Red Rover, Red Rover.

Announcements were read and acting vice president Tina Schmid read the next meeting's agenda, which will be June 9 at 7:30. Christy led the club in the 4-H Pledge.

The meeting was adjourned.

Natasha and Ericka served nachos, Mexican donuts and pop for refreshments.

NATIONAL Nursing Home Week May 11-18

Blessed are they who understand my faltering step and palsied hand.
Blessed are they who know my ears today must strain to hear the things they say.
Blessed are they who seem to know my eyes are dim and my wits slow.
Blessed are they who looked away when coffee spilled at the table today.
Blessed are they with a cherry smile who stopped to chat a little while.
Blessed are they who never say ... "You've told that story twice today".
Blessed are they who know the way to bring back memories of yesterdays.
Blessed are they who make it known that I'm loved, respected and not alone.
Blessed are they who know I'm at a loss to find the strength to carry the cross.
Blessed are they who ease the days on my journey home in loving ways.

In Christ's Love,
Everyone Is Someone.
