SANTA CLAUS was in St. Francis at the Christmas Opening. Many children were there so they could tell him just what they wanted for Christmas. Top left, 1. Abigail Usted was pleased to talk to Santa. Clockwise, (2) it looked like all Hannah Humble wanted was her two front teeth. 3. Lucas Hopper was thinking hard while his brother TJ, behind, told Santa what he wanted. 4. Madison Siegfried, with her pretty Christmas dress, really didn't know what Santa was all about. 5. Liden Lampe was just a little shy. 6. Draxton Hovis had a lot to tell Santa but he wasn't about to get too close.
