

# Sainty sixth graders tell of favorite Christmas

St. Francis sixth grade students were asked what was their favorite Christmas and why was it special. The students of Julie Wolters had the following answers:

I think I would have to say that my favorite Christmas was when I was six. That year, my dad said that I had to pick up all the wrapping and bag it in a trash bag and then put in the back of the pickup. When I bagged all of the wrapping, I took it outside and I put it in the pickup and when I looked up, there was a brand new bike in the pickup — just for me!

My favorite Christmas was when we first moved to St. Francis. I was in second grade. The reason why I liked that Christmas is because St. Francis celebrated Christmas with Christmas lights and a parade. The other reason I liked that Christmas is because our family was together.

Nicholas Easter

My favorite Christmas was last year when I got Guitar Hero I and 2. And another one was either before or after Christmas, my uncle, my dad and I went and ramped snowmobiles.

Shakotah Blanka

My favorite Christmas was last year because I got a lot of stuff. I liked the PS2 games that my dad got me. He got me Call of Duty 3 and when we went to Colorado for a break, we got a Wii. We got four games for it. It is fun but it wears you down. That's my Christmas story.

Tanner Gilliland

My favorite Christmas was when I was 10. What makes this special is that we go to my grandparent's house and the adults watch football and we all eat and play. But on New Year's Eve, we usually go to my mom's friend's house. We kids either play Play Station 2 or watch TV.

McKala Taylor

My favorite Christmas was last Christmas. The reason I liked last Christmas was because we got to open presents at midnight and then slept until noon.

Justice Wiley

My favorite Christmas was six years ago because I got my first dirt bike.

Cade Bracelin

My favorite Christmas was last year when my family and I went down to my grandma's house way down in the southeast corner of Kansas. On Christmas day, our cousins met us down there and we opened our presents and we talked and played around. Also, it is my uncle's birthday on Christmas, so we celebrated that too. We all had a great time! Can't wait to go back!!!

Kyla Bandel

My favorite Christmas was two years ago because all year, I asked for a white Christmas and I got one. Why it is my favorite is I got a yo-yo set and a DS and a magic kit.

Tristan Archer

My favorite Christmas was last year. It was special because my whole family was together and healthy. Winter is my second favorite season, so a holiday makes it even better. Another favorite memory was when my family gets together and makes candy.

Mariah Beikman

My favorite Christmas was probably last Christmas because I got an Xbox 360 and then went back to Walmart and got Gears of War and then some new Nike football cleats that are metal.

Kyler Zweygardt

My favorite Christmas was two years ago. It was special because I was with my whole family and friends.

Valerie Wurm

My favorite Christmas was two years ago

when I got a shotgun, PS2, K-State shirt, baseball, basketball, football, baseball glove and to have a great and best Christmas ever.

Jon Hoard

My favorite Christmas was around 2001-2002. That was one of the last holidays with my grandma. I was five years old and my grandma gave me a Teddy Gram pillow and sheets. I still have those today. I really miss her a lot. My grandma really liked Christmas. She always tried to make it really special.

Ian Schmid

I like Christmas when I'm with my family. This will be my first Christmas in Kansas.

Matt Howell

My favorite Christmas was when my cousins came from Dallas, Texas. It was special because my grandma and grandpa, my family and my aunt, uncle and cousins

were at my house on Christmas Eve. We ate really good food and we had lots of fun.

Ashlee Orth

My favorite Christmas was two years down in Dallas, Texas. Cause I haven't seen them in awhile and it's great to see them! My Grandpa Ernie always sings silly songs, that make me laugh! My Grandma Diane always goes shopping with me and dances and makes me laugh. Cousin Larry, he is just like my dad except the glasses. Larry is funny, helps me get moving and, yes, he makes me laugh too! My buddy Natily is funny and is about five years older than me. She rocks as my buddy! Grandpa Riturd, he is very tall, like me! He makes me laugh and I'm glad that both of my grandpas are funny! Grandma Dority, she is really funny too! Oh, and she always makes us something like cookies, brownies, a pie, cool stuff like that! Well, this family rocks and I never want to let them go! Oh and my buddy Natily!
