

Cheylin sixth graders tell of a favorite Christmas

Kale Schields' Bird City sixth grade class was asked, "What was your favorite Christmas and why was it special?"

My favorite Christmas was two years ago. It was the year Grandee died. It was special because we got to see a lot of family (including Auntie Karah and Uncle Dave) at Grandee's funeral. Being with family is great during the holidays.

When I was 8 years old, my family and I traveled to Oklahoma. My grandparents lived there, and on the way we had a Christmas lunch in the car. We had turkey sausage, cheese, Triscuit crackers, and carrots. I got a lot of presents and had a fun time. It was one of the best Christmases ever.

Jaime Davison

In 2002, because I was with my family in the Philippines and we had a parade, all kinds of food, watched fireworks at night and my Aunt Geraldine came to visit from Taiwan. We had lots of presents, we got to decorate our tree with all my family, and we went to church a week before Christmas. It was special because I had fun spending time with my family and had great food. Merry Christmas!!

The Christmas I turned three. I got my first bicycle. Without that bicycle I would probably never would have learned how to ride. That was also the first Christmas I made cookies with my mom. Dad also took me sledding for the very first time. I loved it because so many thing happened for the very first time.

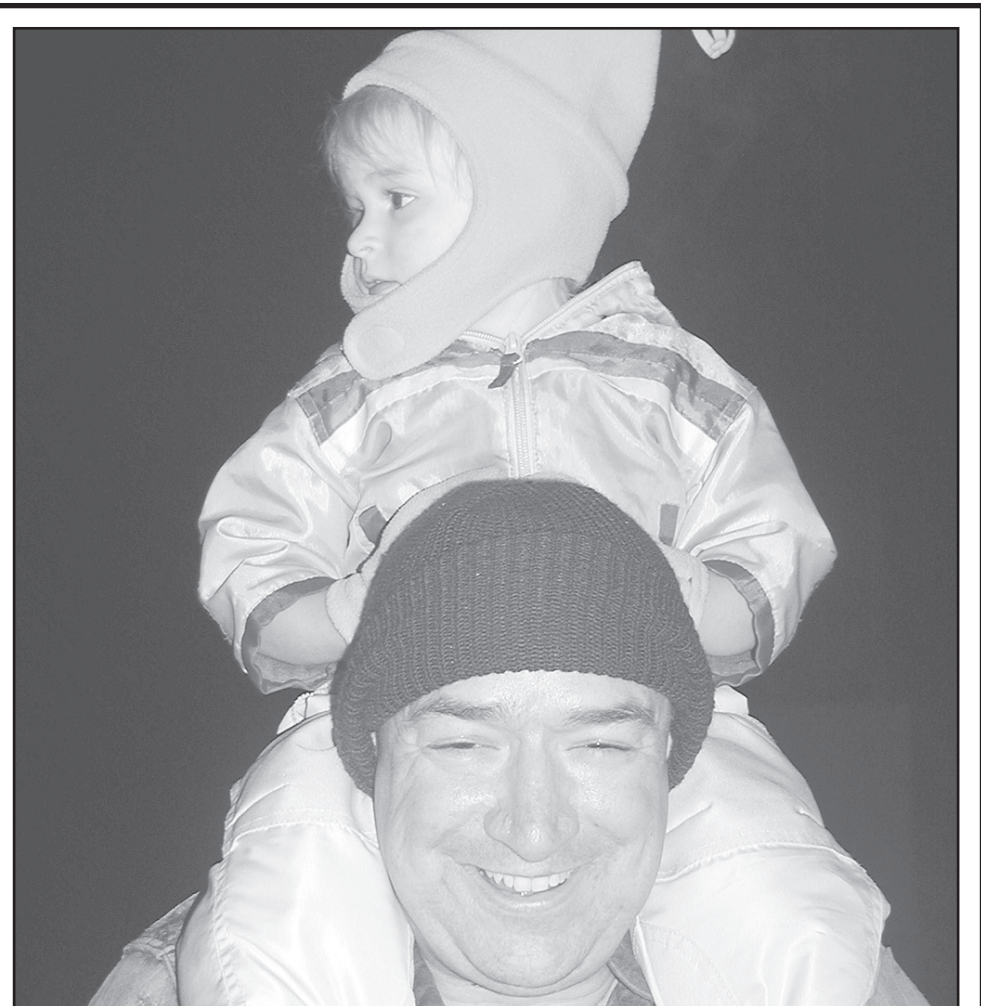

Jacob Brubaker

Last year and the year before that because I got clothes, food, and got to see my friends, cousins, aunts, uncles, grammy, and my grandpa. I also ate cookies, pie, brownies, cake, egg nog, milk, water, ham, sandwiches, cheese, crackers, carrots, cheesecake, olives (black and green), pickles and more! We went to church on Christmas Eve and I played the violin in church. I play harmony while my mom plays melody. I 'm playing in church! Merry Christmas.
