Indian wrestlers, Cody Sherlock, Freddy Pacheco, Terrence Lamb, Darris Keller, Jesse Pacheco, Scott Ford and David Guthmiller all placed in the top four positions at the Panther Invitational wrestling tournament in Phillipsburg on Saturday.

Sherlock, a sophomore, led the Indians. He came home with the championship at 125 pounds.

He wasn't the only Indian who made it to the championship match. Freshman F. Pacheco vied for the championship at 112 pounds but was defeated by Hunsicker of Ellis.

Placing third were Terrence Lamb and Darris Keller and placing fourth were Jesse Pacheco, Scott Ford and Adam Guthmiller.

St. Francis, as a team, placed fourth with 94.5 points. Taking top honors were Norton with 147.5, Abilene with 135.5 and Beloit 102.

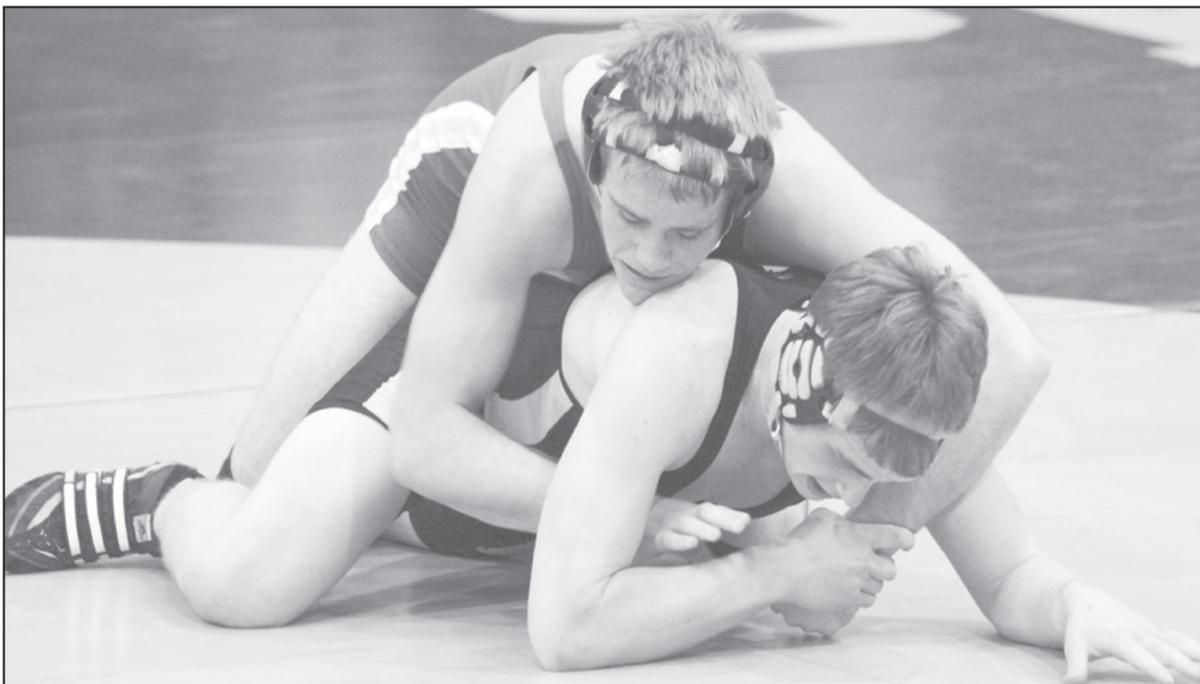

"We wrestled really well," Coach Mike Frewen said. "We could have placed third if we had won three or four more matches in the medal round. Some of them we could have won just as easy as lost."

"The coach felt that overall, they had a good day/

"Freddy (Pacheco) beat a pretty good kid from Beloit in the semis," Coach Frewen said. "His final match was a close one which could have gone either way. The Ellis kid just made less mistakes. This is the best he has wrestled in quite a while.

"Cody (Sherlock) wrestled really well all day. He was in a tough weight. His final match was a tough one but he won 5-1.

"Terrence (Lamb) wrestled the Hill City kid (Orr) twice and beat him both times. This is the same kid that kept Terrence from going to state last year. This shows that he has improved a lot. He had a good day. With the Norton kid he got caught on his back. In the match for third and fourth, Terrence was ahead 7-0 with Orr getting five points in the last sec-

onds. "Darris (Keller) wrestled good on Saturday. He was consistent. The Norton kid that got first is one of the top in the state. The kid that placed second is also a top-ranked kid.

"Jesse (Pacheco) met the Beloit kid (Spangler) who is a returning state champion. The Abilene kid (Wuthnow) is also outstanding. All of the kids that placed above him are rated. He has some tough competition.

"Grady (Brunk) was the fifth best. All of the four above him are ranked in state. He is getting better. He was right in the match with King of Ellis.

"Scott (Ford) had a good day. He needs to wrestle at a high level in every match.

Adam (Guthmiller) had two of his losses to the kid from Norton (Sproul). Adam was ahead 9-3 in one match before he got caught in a pin. He needs to eliminate mistakes.

## Sainty football player signs

Indian football player Trent Kinen, a senior, will be participating in the football program at Dodge City Community College following his graduation from St. Francis in May.

Kinen, a two-time All-Northwest Kansas League pick, was named to the second team as a defensive back following the 2008 season.

He has been a part of the successful Indian football program his complete high school career.

"Trent never missed attending weights all four years," Coach Tim Lambert said. "He is a hard worker and disciplined."

The coach also said he has been a vital part of the St. Francis football program especially his last two years on varsity. "His work ethic is second to none."

Sports Administration is the program which Kinen is planning for his career and he will be working on at-

Kinen

taining this goal beginning this fall.

"College football is going to take all year," Kinen said. "It will be a job, a lot of work, but fun at the same time. I spent time at St. Francis with weights, working in school and being a leader on the practice field."

Coach Lambert feels that Kinen needs to put on a little weight, but he has the speed, runs well and is not afraid to hit.

"If he puts in time and dedication he has the ability."

"The opportunity is here and I want to take it," said Kinen. "I am very excited. It is a challenge worth trying."

The coach feels that Trent could be very good playing at the college level, maybe even better than high school. "He has the ability to make his mark."

## Athlete to play ball at college

Casey House, a St. Francis Community High School senior, and member of the 2008 Indian football team has signed a letter of intent to play football for the Dodge City Community College Conquistador football team.

Casey moved to St. Francis in time to play with the Indians his senior year, having participated in football at Goodland prior to coming to the Sainty squad.

He played free safety, offensive tackle and defensive tackle for St. Francis.

"He was a great addition this year," Coach Tim Lambert said. "He only got better. He did a good job of stepping up when we had our injury troubles."

Northwest Kansas League coaches rewarded Casey for his efforts by naming him to the second team as an offensive guard.

Casey felt that by being able to play all three spots, he was able to help the team out

House

at all the positions.

He also said that playing at St. Francis was the best football experience he has had. "It was nice to be on a winning team."

"I'm excited for sure (to be playing college ball)," he said. "It will be tough at first but I'll get used to it. Not many people get the opportunity and I will take it while it is there. It will be a great experience but not easy to do."

Coach Lambert said he has the ability, the frame and the size to play college ball. "If he goes to class and applies himself he could have a really bright future in football."

The coach feels that Casey has the ability to make his mark. He could be very good, maybe even better at college ball.
