## Two-lady golf held Saturday

The St. Francis ladies golf league opened their season on Saturday with a two-lady scramble held at Riverside Recreation in St. Francis. Thirteen teams participated in the tournament. While the course was a little wet from the previous night's rain, the ladies enjoyed a nice day of golf and many of the out-of-town golfers complimented the great condition of the course.

There were two flights (championship and first), with three teams receiving honors in each flight.

Winning the championship flight was the team of Beckman and Hines of Colby. Schweicher and Haigler of Atwood took second in the

flight, with Carol Rogers and Judy Gienger coming in third. In the first flight, Crissy Cooks and Cox brought in the winning score, with Natalie Rogers and Amanda Mahon and Leigh Ann Bandel and Glenda Rieger coming in second and third, respectively.

Winning pin prizes were: hole 1, long drive: Schweicher; hole 3, long putt: Lucinda Straub; hole four, closest to pin on chip shot: Beckman; hole five, long putt: C. Rogers; hole six: closest to pin on chip shot: Beckman; hole seven, closest to pin on drive: Hines; hole eight: shortest drive: Cox; hole nine, long putt: Daise.

## Lightning, threat of severe weather stops swim meet

The skies were gray as the *Star Spangled Banner* sounded over the pool for the meet on Thursday. This was the first meet in St. Francis since June 10, 2000. The Sharks will be able to host a meet every year now, according to Margaret Poling, coach.

We made it through 56 events before lightning was sighted, Coach Poling said. The league representatives thought we should call the meet because severe weather was reported.

"Thirty minutes later the threat was gone, but so were most of the swimmers," she said.

Coach Poling said the coaches appreciated all the volunteers who boldly stood in where they had never been before. Parents jumped in and set up and worked concessions and moved chairs, tables and benches and swimmers hauled bleachers, chairs, benches and tables to and from all the necessary places.

"I was proud of all the

volunteers, parents and swimmers who gave a little extra so our meet could be successful."

Because there was time before the lightning to get the relays in, all of the St. Francis swimmers had a chance to swim at least one event.

Swimmers attended from

Atwood, Cheylin, McCook and St. Francis.

Even though the meet was called off short, it stands for credit toward the qualifying meet, according to Coach Poling.

You have to participate in a certain number of meets prior to

qualifying.

The Sharks will travel to Atwood for a meet on Saturday. It will start at 9 a.m. and the swimmers enjoy support from St. Francis.
