

Go Getters 4-H Club

This year has been a busy year for the Go-Getters. The members participated in many community projects.

In the 2008-2009 4-H year, members helped with the Cheyenne County Save Our Soldiers program that is in the month of October. They gathered food and personal item boxes from various businesses and homes.

The club helped with the setup and cleanup of the Bird City Cinco de Mayo celebration in May and helped with the Antique Engine and Thresher Show in July.

Cateline Isely participated in the horse project, the dog project, the photography project, archery, and she made a small booth at the fair. She won the novice obedience trophy with her dog Ozzie.

Savannah Isley participated in horse and photography, and won high point senior in the horse division.

The Keltz family participated in raising and showing hogs along with a number of other projects.

Ivan Kemp and Joseph Augusta were the new members. This was their first fair and Ivan won grand champion on the cucumbers and reserve champion the cabbage he entered. Joseph was a tag-a-long and won blue ribbons.

As the cycle of clubs go, some members are no longer participating. The long-time members, the Sturgeon family are no longer members. They contributed many volunteer hours for the Go-Getters and Teresa Sturgeon is retiring as leader. They will be missed.

The Go-Getters' new adult leader is Nina Isely.

Go-Getter members are excited about the upcoming year and look forward to a successful and fun time.
