"Did You Hear About the Morgans?" is a romantic-comedy where regulars, Hugh Grant and Sarah Jessica Parker, finally unite in this fish-out-of-water laughter movie.

The actors play Paul and Meryl Morgan, a Manhattan couple

whose marriage is in danger. But it turns out all they may need is a change of scenery. When the Morgans witness a murder and are sent by the government to a small town in Wyoming to hide from the killers, their marriage shows signs of recovery.

CHEYENNE COUNTY HOSPITAL

210 W. 1st • St. Francis, KS
785-332-2104

You can't always be there for an aging parent, or loved one who lives alone. But you can help increase their confidence to live independently - with Philips Lifeline through Cheyenne County Hospital. Lifeline is a simple, wireless device worn as a pendant or wristband that allows the wearer to summon help with the push of a button from anywhere in their home or yard, 24 hours a day, 365 days a year. The button connects to a trained Lifeline response associate, who quickly accesses the profile and calls responders for help.

There are 3 different units now, the new one is a cordless phone or if you have plenty of phones there is just the unit and the third option is a regular phone unit.

The cost for a Lifeline is a one-time installation fee of \$50 and the monthly cost is \$30 and for the new cordless phone it is \$35.

For more information or to get one installed call Shawna at Cheyenne County Hospital 785-332-2104.
