the end of each quarter being 13-5 after one, 22-18 at half time, 35-25 after three and then the five-point victory. Brewster picked up more points in the final quarter but the Indians held on for the victory.

Matt Raile led the team with three-pointers, seven of eight attempts from the inner arc and making 1-of-1 from the line. He also led in rebounds with 15, 13 of them defensive. These were Two blocks were also part of his stats for the contest.

"We got a tough win on the road against an improved Brewster team," said Coach Jeff Beims. "They slowed us down a bit with their zone defense, but I was proud of our guys for showing score against it. It wasn't too long ago that we would have become frustrated and forced the ball."

Trent Raile led in assists with six out of the total of 16 and was the second highest scorer with nine points and rebounder with five. He also had two steals...

"We are getting better every game on the defensive end," Coach Beims said. "We did S much better on the boards against G 6 10 22 12 Brewster, which reduced the Scoring: T. Raile 20, M. Raile scoring opportunities of a good 18, Schiltz 9. shooting team.

"Even though the final score 4, T. Raile 4. would indicate a close game, I felt

like we were in control from the start. They made a run on us late, but again, I was pleased with our St. Francis on Friday night in composure down the stretch for the most part.

"Guys were reassuring each other in the huddle. Brett Lampe even reminded his teammates to 'meet the passes.' I wanted to hug him, but I think that's illegal." 13 9 13 9 44

St. Francis vs Goodland The Goodland Cowboys came roaring back in the third quarter to overcome the Indian lead on St. Francis had the advantage at Friday night. The last period of the contest was a nip-and-tuck battle with St. Francis forced to foul the Cowboys who helped seal their victory by making the free throws.

Goodland won the contest 50-47. "The loss to Goodland was a tough one, simply because we had 24 points, collecting from three our chances to win and didn't take advantage of them," Coach Beims said "Our problem wasn't so much the last three minutes of the fourth quarter, but the first three. We went through one of those collected by placing himself in periods where we lost our focus, a good position under the basket didn't run an offense to speak of, and taking advantage of his height. and consequently turned the ball over two or three times in a row.

"It is also pretty telling when only three players out of nine that saw the floor scored. We have to be able to generate offense when everything else fails. Either we are unable to recognize those situations as opportunities, or we some patience and maturity to are incapable of capitalizing on them."

The two Railes, Trent and Matt, scored 20 and 18 points respectively with Schiltz adding nine points.

All of the rebounds were also collected by three players, M. Raile, T. Raile and Figgins.

The team had 15 assists with T. Raile having six.
